LEONARD K. CRAWFORD

Crawford is President
Of U. S. Engineer Group

Leonard K. Crawford, Springfield, today was elected president of the Consulting Engineers Council of the U. S. He is president of the Springfield consulting engineering firm of Crawford, Murphy & Tilly and was an associate of the local firm of Shepard, Morgan & Schwaab for design of Granite City's sewage treatment plant now under construction.

Announcement of the election was made during the second annual convention of registered professional engineers held in St. Louis.

\$536 Aid Given
By UF Agency

A report of total expenditures of \$536 during April was made by Mrs. Marie Whittle, secretary, at a meeting of the Protestant Welfare Association Tuesday evening at St. John United Church of Christ.

The agency handled 38 cases involving 133 persons. This includes 14 new, nine recurrent and 15 incidental cases. Referrals were made by citizens, ministers, township relief offices, a board member, the unemployment office, the police department and Madison county court. Thirty-six orders were issued, with relief distributed as follows: food, \$309; medical, \$8; new shoes and clothing, \$99; utilities, \$32; and rent, \$86.

Thirty-one orders were given from the store room, with an estimated value of \$363; and received by the agency were two divans; two living room chairs; a rocker; a rug and pad; and a mattress valued at \$85.

Lenore Crookrell, president, conducted Tuesday's meeting, and Rev. Paul Surbey led the devotions. There also were reports by Mrs. Irma Taylor and Mrs. Mary Simon, recording secretary and treasurer. Roy Lynn gave the budget and finance report and there was a report on repairs to the Protestant Welfare building.

Mrs. Pearl Heidinger, a case-worker supervisor of the Venice branch office of Madison County Public Aid, was guest speaker at the meeting. A question and answer period followed her talk.

The Protestant Welfare Association is sponsoring two children at a camp for handicapped, it was announced.

The meeting closed with prayer by Rev. Surbey. Approximately 30 persons were present.

GC Rotarians Attend
Broadway Funeral
Granite City Rotarians adjourned their weekly meeting Tuesday to enable members to attend funeral services at Nienhaghaus Memorial Methodist Church for Gerald Broadway, 62, a club director and 1962-63 Rotary president.

After a luncheon the 45 members went to the church, and those serving as pallbearers were James C. Laik, Harold Thomas, Harvey Baker, Burt Moody, Raymond Ruffer and Christ Paschoff.

Mr. Broadway, 2439 State street, died Saturday night at St. Elizabeth Hospital. He was associated with General Steel Industries for 42 years.

Traffic Charges Filed
Against 3 Motorists
Motorists arrested Tuesday by Granite City police for traffic violations were Robert Rose, 2223 Edison avenue, at 20th and Russell streets, on a charge of speeding; Richard Grizzard, 3235 Edgewood drive, at Franklin avenue and Johnson road on a charge of careless driving, and Charles Mizerski, 3869 Madison avenue, at Wabash and Clark avenues on a charge of careless driving.

They were released on bonds and hearing dates were set for June 2 and 4.

County Gears \$830,000 For New Campus Highway

Appropriations totaling of \$830,000 in motor fuel tax funds were approved by the Madison County board of supervisors Wednesday morning as the county's share of the cost of erecting about 2.6 miles of concrete pavement adjacent to the north edge of the new State University campus in the bluffs.

It will be in the vicinity of Poag road leaving Indiana but will, in effect, widen and straighten the Poag road route. The county and state are providing matching funds with federal funds allotted to the county for the road. The total amount includes \$525,000, or as much as may be needed, for highway construction, \$375,000, or as much as may be needed, for purchase of right-of-way, utility adjustments, surveys, preparation of plans and engineering supervision; and \$130,000, or what is needed, for a highway bridge over the Illinois Terminal Railroad tracks and for a drainage ditch.

No Plans, Bids Yet
No plans and specifications have been drawn, nor have bids been called, but they will be subject to approval of the State Bureau of Public Roads and Buildings.

The board also approved a \$600 MFT appropriation as the county share for installing automatic flashing signals and crossing gates at the Poag road North and Western bluffs, as required by the Illinois Commerce Commission.

Joseph Trovack, Mitchell township supervisor and chairman of the road and bridge committee, explained the \$600 represents 20% of the cost, while the state will pay 70% and the railroad 10%.

Building Study Approved
The board authorized the Southwestern Illinois Metropolitan Area Planning Commission to conduct a study of office space and buildings needed now and in the future and appropriated \$500 as its share of federal matching funds to be obtained by the State Board of Economic Development.

Harry Briggs, chairman of the legislation committee, in the face of criticisms explained that the total cost will be about \$15,000, that aid by SWIMAP was necessary to obtain federal

funds and that the survey is required now if the county is to qualify in the future for federal aid in county building programs.

Tax Rate Report
Briggs also reported that the county's general tax rate hike bill for next year, and another cent for the year after is on third reading in the House and he expects it to be passed and advanced to the Senate.

Contracts to provide asphalt for county roads for the year were divided between Earnest Asphalt Co., East St. Louis, and American Oil Co., St. Louis, as they submitted identical bids of 9 1/2 cents, 7 1/2 cents and nine cents per gallon on different types. Reilly Tar & Chemical Corp. received a contract to provide 10,000 gallons of road tar at 16 1/2 cents per gallon, compared to a 20-cent bid by Earnest.

Members of the board were invited by Chief Circuit Judge James C. Monroe Jr. to attend a school for lawyers, court staffs and law enforcement personnel designed to correct "bugs" in the new judicial system developed in the first 10 months of its operations. It will be held Monday, Tuesday and Wednesday at the Sunset Hill Holiday Inn.

Zoning Reports
On recommendation of the zoning board of appeals, the county board denied a special use permit to Russell R. Lewis, owner, and James C. Green Construction Co. for a multiple family dwelling along Route 203 about a mile north of Granite City on a tract now zoned for single-family dwelling, and approved an R-3 single family designation on a tract of land purchased by Edward Burton from the East Side Levee & Sanitary District.

Seated as new members of the board were Mrs. Mary Gaughan of Granite City, who succeeded her husband, the late Robert Gaughan, and Virgil Bandemer, new Pin Oak township supervisor, who succeeds the late Eldon Gelling.

The meeting was conducted by Leslie Frenn of Wood River township in the absence of Chairman Harold Landolt of a hambo who is recovering from an illness. Landolt was released from a hospital Tuesday.

GC Church Class Learns of Award for 'Adopted' Orphan

Mrs. Olive Moore, president of the Comrades Class of First United Presbyterian Church, has announced the award of a scholarship to graduate school and a teaching fellowship to Cho June, a Korean orphan, adopted by the class and to whom contributions were sent regularly at Seoul, Korea, to assist in his education.

It was eight years ago when the class learned of the plight of the orphan who was then ready to start "middle school" corresponding to high school here. He was graduated in four years, then went on to college, graduating in February of this year with high grades.

Cho June was his name when in an orphanage in Seoul, but he decided to change his name as its meaning in the Korean language is "child of misfortune." He lived for some time in the home of Mr. and Mrs. James Wade in Seoul, formerly of this city, and through correspondence learned of the Comrades Class of First United Presbyterian Church.

CHO JUNE, a Korean orphan who has graduated from National Science College in Seoul, Korea, and has received a scholarship and a teaching fellowship through contributions made throughout his college career by members of the Comrades Class of First United Presbyterian Church.

savings by renewing the LaMoar-United contract at the \$102,500 figure. They also emphasized numerous phone calls received over the weekend from persons expressing satisfaction with LaMoar-United's service.

Supporters of National's \$122,745 low bid pointed out LaMoar-United had an opportunity to bid but did not at the March 15 deadline date, and a high bidder cutting under the bid figure getting down to the \$102,500 figure. Officials of LaMoar-United said they were not notified of the termination of their contract until March 19, four days after the bid deadline.

Council meeting comments by the aldermen were—

Johnson: "Reject all bids and readvertise. We can't let the people down on the tax dollar savings."

Bartoshink: "LaMoar has not charged the 98 cents a month additional for new homes, while National has that in its contract. Roadvertise."

Wahlmer: "The city advertised properly and LaMoar did not respond. LaMoar has been getting \$147,500 a year and now offers to do the job for \$102,500 despite rising costs everywhere else. We could have saved the \$45,000-a-year for the past three years."

Basarich: "Let's issue trucks and go back into business. It's pretty good. I say throw out all proposals and call for new bids."

Green: "The city must be consistent. If it calls for bids, should follow good business procedures and not deal at the back door."

Dry: "Any changes in contract terms can be negotiated, such as the 98-cent charge and other terms. Industries and businesses always talk terms with low bidders and the city can do the same."

Lincoln Place

MARY ANN DOMITROVICH
1627 Maple Street
TR 7-0801

Brownie Trovack 109 met at the Lincoln Place community center Tuesday with the leaders, Mary Keenough and Vincine Zerlan.

Plans were made for a fly-up ceremony to be held at Washington school Monday. Final plans also were made for a tour of the locks and a cook-out at Wilson Park.

Brownies present were Minnie Brankov, Darlene Berry, Vicki Petrillo, Pamela Pines, Lee Ann Kistell, Julie Mendoza, Barbara Pickett, April Reagan, Lisa Goss, and Christine Evers.

Keenough, Mary Ellen Zerlan, Barbara Spach, Mary Judas, Kathy Domitrovich and Lucinda Eling.

Parley: "I'm getting lots of calls, and the people of the Sixth Ward definitely don't want the city to go back into the collection business."

Noon: "Ethics go out the window when you talk about dollar bills. I favor the city going back into business."

Poulos: "I can't see giving away the \$80,000 in the three years."

Boyd: "I consider LaMoar-United's tactics of submitting a proposal as unethical. Their attorney, John Gitchell, shares of funds with the former city attorney, John Fittor, and they should have known of the bid deadline."

Roberts: "I approach this from the financial standpoint — the money saved with the \$100,000 contract could be used to repair sidewalks and reduce injury lawsuits against the city."

Morison: "National Disposal has agreed to handle sludge from the new sewage treatment plant delivered to the landfill terms, and that will provide an \$8000 to \$9000 savings to the city."

HOME: FROM CALIFORNIA
 Mr. and Mrs. Mil N. Morris, 711 Broadway, returned home Sunday from a three-week trip to California and other points of interest. At Newport Beach, Calif., they were guests at the home of their son-in-law and daughter, Dr. and Mrs. Douglas McBride and children, Jeffrey, Tracy and Kim.

Enroute, some time was spent viewing the Petrified Forest and Meteor Crater, National Park, Ariz. After arriving at their destination, trips were taken to San Juan, Capistrano and San Diego and to Tijuana, Mexico.

On the return trip they visited in Las Vegas, Nev., with former Venice residents, Ed Essington, son of Mr. and Mrs. Homer Essington, 529 Washington avenue, and with Mr. and Mrs. Jim Miloski and family, son-in-law and daughter of Mr. and Mrs. Fred Durer, 628 Washington avenue. A day was spent as guests of Mr. and Mrs. E. E. Van Stee in Boulder, Colo.

11TH BIRTHDAY
 Mr. and Mrs. Bernard Anderson, 104 Washington avenue, entertained Sunday with a birthday dinner honoring their grandson, Mike Anderson, who was 11. He was presented with gifts.

Others seated were his parents, Mr. and Mrs. Robert Anderson and children, Robert, Harry, Bernard J. and Kathy, of Faintown City and Mr. and Mrs. Ralph Anderson of Granite City.

DAY OF PRAYER
 A "day of prayer" was observed Monday at the First Baptist Church, 1251 Klein street, with Mrs. Mildred Bryant in charge.

On Monday evening, 21 members of the Venice church attended the Madison County Baptist Association of Missions meeting held at Second Baptist Church. The association is composed of 23 churches and two missions ministering to approximately 164,000 persons.

Speakers for the evening were Dr. Wendell Belew, who gave a talk on the association. It was stressed that united prayer is essential to fulfill the aims of the association.

The Sunbeam band held a weekly meeting Tuesday at First Baptist Church, 1251 Klein street, with Miss Norma Nash in charge. The meeting was opened with prayer.

Miss Nash gave a reading, "Peter and Paul's Trip," after which a discussion was held. Treats were served and others present were Robert McElvain, Patricia Schrader, Yolanda Stengel, Freda Trebing and Brenda Starr.

The next meeting will be June 1.

Mrs. Marie Zeiler, counselor, was in charge of the Junior Girls Auxiliary Tuesday afternoon at the Venice First Baptist Church. Each of the girls took part in the reading, "Where Does Our Bible Go?", pertaining to foreign countries. Scripture reading was given.

Those attending were Deborah Campbell, Theresa Griffin, Robin Schrader, Connie Sherman, Pamela May, Arlene Nash, Alice McElvain and a visitor, Delora Trebing. The next meeting will be held June 1.

HOMEMAKERS MEET
 Mrs. Mary Metzger, president, was in charge of a Homemakers class meeting Tuesday evening at the Venice First Baptist Church. Mrs. Irene Todd gave opening prayer and roll call was answered with Scripture verses. A Bible reading was given by Mrs. Charlotte Byrd. A social hour followed and prizes for games were awarded to Mrs. Todd and Mrs. Metzger. A secret pal gift was presented to Mrs. Charlotte Mize.

A dessert luncheon was served by Mrs. Byrd, and others present were Mrs. Hassie Hyden, Mrs. Bernice Vaughn, Mrs. Mary Anderson, Mrs. Lavonne Davis and a guest, Miss Pat Byrd. The next meeting will be held June 22, with Mrs. Anderson as hostess.

LAST MEETING OF YEAR
 Final meeting of St. Mark's Browne Troop 198 was held Monday afternoon at Leo Park under the supervision of the leaders, Mrs. Mary Simmons and Mrs. Catherine Hildebrandt. The girls made jewelry boxes, after which a picnic lunch was served.

Those attending were Susan Kowalski, Karen Schaefer, Lorette Miller, Kathy Williams, Laurie Schmidt, Caroline Hill, Chris Kowalski, Mary Beth Scaturro, Susan Wells, Mary Davinroy, Christine Ochs and Margie Shumbo.

Noisy Ice Cream Truck, Motorbike Complaints
 Granite City police were summoned on two noise complaints Tuesday night.

The first at 7 p.m. was on a noisy ice cream truck in the 2900 block of Cayuga street, and the other at 9 p.m. was a loud motorcycle at Pontoon Plaza. Police were unable to locate either vehicle.

GC Jaycee Seatbelt Clinic Planned Sunday
 An auto seatbelt clinic, a public service project of the Granite City Jaycees, is planned for Sunday at the W. T. Grant Co. auto shop in Nimek Village shopping center. The clinic will start at 9:30 a.m. and continue

until dark, according to Donald Hoehn, project chairman.

Seatbelts in 11 colors, complete with a quick release metal buckle, will be available at a cost of \$5 per single passenger unit. Hoehn explained, and will be installed free by the local service organization. The belts are approved by the American Seat Belt Council and exceed all safety requirements.

Firemen Wash Away Spilled Gasoline
 Police summoned Granite City firemen at 3:40 a.m. Wednesday to wash away gasoline endangering autos on a lot in the 2000 block of Edison avenue near the city hall.

The officers said the gasoline was leaking from a parked car.

YOUNG MARRIED CLASS ELECTS MRS. BURCH

The young married class of Suburban Baptist Church met Tuesday evening in the home of Mrs. Lorraine Fox, 2906 Sunnyside drive. An election of officers was held.

New officers are Mrs. Lynn Birch, president, Donna Harlow, vice-president and Sandra Casdell, secretary-treasurer.

An exchange of favorite recipes was held and games were played.

The ladies selected as class flower a red rose. When members are ill, a red rose will be sent with a Scripture verse attached.

The hostess served refreshments to Mesdames Judy Muller, Barb, Debbie and Janet Fox and Tammy Harlow. Mrs. Burch of Alto invited the ladies to her home for the June meeting.

SIXTH GRADE PARTY

Sixth grade students of Webster school enjoyed a party Tuesday at the school, given by the parents.

The evening was spent dancing and playing games. A prize was won by Miss Judy Gies and Joe Craft.

Refreshments of cookies and punch were enjoyed by 60 young people.

Also in attendance were the sixth grade teachers, Kenneth Cann and Louis Melhele, principal Clyde Lee, Rev. and Mrs. Carl Craft, Mr. and Mrs. Eileen Craft, Mr. and Mrs. Russell Stagers, Mr. and Mrs. Ralph Cascheta, Mrs. Earl Harrison, Mrs. Thomas Harrington, Mrs. Fred Felt, Mrs. Arthur Aruback and Mrs. Stuart Squibbs.

WMS TO HOLD TEA
The May meeting of the Women's Missionary Society of the Good Shepherd EUB Church took place Monday evening in the home of Mrs. Virginia Ramsey, 2401 Wilson Avenue. A prayer by the president, Mrs. Josephine Matthews opened the meeting.

A business meeting was held and plans were made for a mother-daughter tea to be held Friday. Ladies of WMS will go to Alto Tuesday for volunteer work.

Mrs. Tillie Little was in charge of the lesson, "Christian Church in the Land of Flowers," with Miss Angela Little participating. Mrs. Katy Walters entertained the ladies with souvenir objects from Japan, which was her home before moving to Granite City.

The hostess served refreshments. Others present were Mesdames Jean Thompson, Maxine Cruse, Mary Layton, Edna Morrell, Jane Corbett, Wanda Sherman and Roberta Gardner.

BROWNIE ELECTION

Brownie Troop 117 met Monday at Emerson school, with a flag ceremony opening the meeting. Leaders Ann Fowler and Betty White led the girls in the Brownie promise and song.

Election of new officers was held. Those elected were Janice Germanieri, president, Vicki Leggett, secretary, Elizabeth

partments was being studied along with extension of other city services such as garbage and trash collection and sanitary sewers.

It was pointed out that Granite City residents of Granite City now are paying \$2.50 a month for sanitary sewers and that next year 50 cents will be added for sewage treatment.

The \$3.40 total is lower than the \$4.50 to \$4.66 proposed monthly charge for the sewer and sewage treatment program planned in Nanticoke township.

The new overall tax rate for Granite City this year is \$4.016 per \$100 assessed valuation. In Nanticoke township the new rate is \$3.542, with 7.6 cents added for Lond Lake fire protection.

DUV Tent 90 Services Set for Memorial Day

Brief Memorial Day services are planned by Sarah Jane McEvers, Tent 90, Daughters of Union Veterans, at 9 a.m. Sunday, May 30, on the Granite City city hall lawn. The public will be welcome.

Plans call for a welcoming address by Mayor Donald Parney, reading of wreaths by organization, placing of a memorial stone, a flag ceremony by Boy Scouts, "Taps" sounded by a bugler and the DUV memorial prayer by Mrs. Gloria Mohrman. Mrs. Gusie Chatham, chairman, will preside and Mrs. Elizabeth Morris is president of Tent 90.

Harris, treasurer; Delia Doty, Linda Medley and Vicki Little, entertainment committee.

The Brownie ring was formed and each girl in turn told of what she had learned at Brownie Fun Day held at Lee Park in Venice.

The remainder of the meeting was spent playing games. Other guests included Patricia Gies, Paula White, Donna Chiappini, Retha Fowler and Cynthia Carr.

GIRL SCOUT CAPING, REDEDICATION CEREMONY

Senior Girl Scout Troop 110 met Monday at Niedringhaus Memorial Methodist Church for a rededication and caping ceremony. The program was opened with a flag ceremony.

A resume of senior scouting, discussion of proposed future troop activities and a senior trip to Colorado was presented to 26 scouts and their parents.

A capping ceremony was held for 13 Cadettes, who pledged their ideals to senior scouting and received their senior hats. An affirmation of the eight indispensable was given by 13 senior scouts.

Cadettes receiving senior hats were Lynn Fraily, Carol Walter, Barbara Williams, Donna Kelso, Marla Siebert, Kathy Spahn, Cheryl Landis, Beverly Schwendeman, Vicki Yetter, Cathy Year, Peggy West, Roberta Marcus, and Eleanor Ragan.

SHARP CONTRAST. A week ago, Assumption's Dennis Shevlin was pictured in the Press-Record taking the plate after a home run in the district baseball tournament. Yesterday, however, the camera caught Shevlin in a home run cut—and missing. Shevlin finished his second inning from by grounding out, but ended the game happily as his Pioneers topped Southwestern 6-0 for the regional title here. The catcher is Dave Orban, the umpire is Stan Serwatka, coach at Madison junior high school.

Pioneers Top So'western, Win Regional

Terry Hanson worked out of a base-loaded, one-out jam in the first inning yesterday and pitched his Assumption Pioneers to a 6-0 victory over the Southwestern Piasa birds in the prep baseball regional final at Wilson Park.

Hanson, the Pioneers' No. 2 hurler, gave Assumption a 2-23 record and a berth in the Staunton sectional, stepping stone to the state finals at Peoria.

Assumption, behind the pitching of ace Glen Flake, advanced Tuesday by ripping the Chokkie Comanches 10-2 as Mike Hoyt hit a homer, double and single for three runs-batted-in. Dan Orban's three-batter game Southwestern a 2-0 win over the Staunton Bulldogs in Monday's opener.

The Pioneers open Tuesday at Staunton against the winner of the rain-stalled Carlyle regional. Belleville, 2-1 winner over Brown Mater Dei, Monday, is the favorite there. Greenville downed Highland 1-0 yesterday as Mike Weber pitched a nine-inning no-hitter and homered to win the game.

The state finals will be June 3-4 at Peoria.

Grade Schoolers To Show Prowess Monday, Tuesday

Sports Day for fifth and sixth grade boys and girls in 14 Granite City grade schools will be held from 12:45 to 4 p.m. Monday and Tuesday at Peoria Park.

Miss Barbara Kerch, coordinator, said girls will compete Monday and boys Tuesday. Helping Miss Kerch will be Miss Lough Heller of Frohman and Don Coleman of Nameoki school.

Competitive events will include high jump, standing broad jump, shot put, discus, walk-run race, dashes and relays. Ribbons will be awarded to the first five finishers in each event.

The children will divide into three groups: I, II and III—according to height, weight and age to insure equal competition. About 500 are expected to participate each day.

Miss Kerch said top performers will be encouraged to compete in the Jaycees Sports Jamore May 29 at Granite City high school, but emphasized the primary purpose is to give all children a chance for athletic participation.

The grade schools have been holding preliminaries, qualifying individuals for the annual event. No team scores will be compiled.

Swim Clinic Slated At Sundowners Club

A rules interpretation clinic for swim meet judges and officials will be sponsored by the Southwestern Illinois Swimming Association from 9 a.m. to noon Saturday at the Sundowners Swim Club near Belleville, it was announced today by Keith Parker, local SWISA representative.

Interested individuals are invited to participate in the clinic which will be conducted by James Phelps of St. Louis, assisted by staff members of the Greater St. Louis division of the Ozark AAU.

Parker reports that specific instruction will be given in duties of swim meet officials, including starters, stroke and turn judges, timers and place pickers. He added that correct techniques for timing races will be taught under actual practice conditions.

Sundowners is on Livelywood road, left off Highway 161 between French Village and Belleville.

Polish Hall Need Has Friend Indeed

Forrest Rodgers slammed three singles and a double, good for five runs-batted-in, in five at-bats Monday as Polish Hall defeated Rozoycki Realty 14-5 as Open League slow-pitch softball opened at Wilson Park.

Ed Madrusic rapped three consecutive triples, Ray Jones had a double and three singles and John Meusi homered and singled for the winners. Jim Goodrich pitched the win, giving up six hits.

For Rozoycki, Carl Alfard hit a two-run homer in the first and Larry Cooper had three singles in three tries.

PRESS-RECORD SPORTS

Page 6 Thurs., May 20, 1965 Granite City PRESS-RECORD

Today, with the pace of area fishing creeping ever slower, we go to class for a pictorial refresher course that just might pay off in enlightenment if not in strikes.

Our visiting prof is Dr. William Lewis, director of Southern Illinois University's Cooperative Fisheries Research Laboratory. The questions are some every fisherman has asked himself at some time or other.

Q. How important is smell to a fish?
A. In the catfishes, for instance, smell is extremely important. They can be attracted by smell for considerable distances and for bullheads, it plays a vital role in "carrying through" on feeding. However, the sense of smell plays practically no part in the behavior of bass and sunfish. Fish can detect trifling traces of odor beyond our comprehension but to do so, their feeding habits are not in fact repelled by odor is something else. Lewis questions it.

Q. How about sound?
A. Fish are very sensitive to vibrations, since sound carries well in water, and they are able to perceive a wide range of low-level vibrations. Sensing mechanisms inside the ear and along the spine of the fish's body pick up sound.

True, vibrations will attract fish, but fish researchers as yet don't know enough about specific vibrations and the behavior of individual fish to say much more than that. The larger predators, adult bass particularly, are generally more responsive to "noise."

Q. Does color mean anything to a fish?
A. Fish can detect color independent of shape and shallow water fish can distinguish 24 different narrow-band spectral hues, much as man. But whether this discrimination has anything to do with feeding habits is doubtful. There isn't much evidence that it does.

Much bass feeding is strictly reflex action. If you put a bass in a tank with minnows, he may eat a couple of them each day. But if you throw a minnow into a tank with him, he'll probably have a go at it reflexively. This is why plug fishing for bass is so successful. Says Lewis wryly: A lot of time he strikes without giving the matter serious consideration."

Q. During spawning—what happens feeding?
A. For approximately two weeks of the average spawning period, bass stop feeding, although once he has established a nesting site, the male will fight a lure without actually trying to eat it. Once spawning stops, another problem confronts the fisherman. The abundance of natural food peaks in June and early July and water temperatures in the 70s are the most favorable for active bass feeding.

Then, either the natural forage is eaten up or becomes too large for bass. Bass get hungry again and fishing improves. Bluegill spawn (generally) 80-degrees but, unlike bass, feed readily while on spawn.

Q. What relationship is there between weather and feeding?
A. Good question, says Lewis, and has a research team which is going into this very thing. The field crew will simulate rain and thunder to investigate the extent to which fish are conditioned to feeding during a storm. That's when they can expect a lot of food to be washed in.

Q. What's the relationship between the size of the bait and the fish to be caught?
A. Few fishermen ask this question as a rule, but it's true that the larger fish definitely prefer larger food items. There definitely is an argument for using a lure adjusted to the size of the fish present.

(Two and three pounders in single and double bass fishing, uniform description of bass fishing at Southern Illinois' major fishing lakes. Top at left: Gattaca against Jack McCoy. Williams, James and Buer slugged two doubles each, and Sturs had a pair of triples. Kirchner was held scoreless only in the third inning.

Braves Win 12th As Season Ends; Maroons Victims

A last-inning 7-6 victory over the Maroons in the season ended Coolidge's successful baseball season on a high note yesterday.

The Braves took a 5-0 lead in the first two innings but the young Maroons tied the count 6-6 in the top of the seventh. Wasting no time, the Braves' Gary Simpson led off the seventh with a walk, stole second and came in on Jerry Jackson's single to right.

Coolidge had 13 hits, including two each by Mike Dochwat, Simpson, Russell Borth and Tom Carmody. Other hits were by Jeff Jones, Dave Snelson, Joe Lehn and Rick Fossick.

Coach John Tonoff used five pitchers—Jones twice—in the game and they gave up 16 walks.

Tuesday the Braves lost to Alton 5-3 with Jones and Lehn getting their only hits.

The Coolidge team finished with a 12-2 overall record and was 6-0 in winning the Madison County Junior High School Conference championship. Edwards won the title in the first two seasons of conference competition.

Mercers Home To Mitchell, Hearts Away

Mitchell A. C. visits Mercers' home as the two local teams clash at 2:30 p.m. Sunday in the Southwestern Inter-City League. Both clubs are in the Blue Division.

Sacred Heart's baseball team was to Maryville for a contest with the A-C Contractors in an inter-division contest. Other games are St. Clair Heating of East St. Louis at Peoria, Maryville Red Sox at Collinsville and Troy at Polish-American War Veterans in East St. Louis.

Wendell Corey's Mitchell squad, up from the Senior Knobby League, has scored a 22-10 victory over Troy. He lost other games to Sacred Heart, the Red Sox and St. Clair. The Mercers of Olin Miller gave up four games, losing 8-2 Sunday to PAWV.

Eddie Opich's Hearts are also 2-2, chasing the unbeaten Red Sox and PAWV in the Red Division. Available Sunday will be Senior league pitcher Charlie Papp who moved from the Mercers to the Hearts.

The Mercers have slated an exhibition game at 2:30 p.m. Saturday against White City of the J-M League at the Coolidge diamond on Fehling road. The Mitchell-Mercers game will be at Wilson Park No. 1 Sunday.

Credit Union Triumphs on James' Gem, Kirchner Rips MWF in Classic Openers

Jack James pitched a three-hitter Tuesday night as Granite City Steel Credit Union edged the Good Fellows 2-1 in the first game of the Classic League's fast-pitch softball season.

James walked one and struck out only 26 batters in the seven innings. The hits allowed were singles by Jake Hintersger, Jack Scarborough and Pete Robinson.

Credit Union scored both runs in the second inning on singles by Phil Kindie, George Grove, Jerry Curmatt and a double by Bob Allen. Kindie, Grove and Don Crabtree all had two hits.

Kirchner Hardware downed MWF 20-7 as Jerry Voloski and

Triad HS Admitted To Midwestern Loop

Triad high school of St. Jacob was admitted to the Midwestern Conference at a meeting Tuesday night at Highland.

The Knights will enter conference competition in 1965-67 with cross country, basketball, baseball and track teams. They will start in football in fall, 1967.

Triad plans to start football on the freshman level next fall. Holdover conference members are Madison, Highland, Bethalto, Cahokia, Dupu and Roxana.

COY, PUENT PACE LARRY'S TO WIN; LIGNON IN SLAM

Delbert Coy and Larry Puent were the batting leaders Monday night as Larry's Corner won 14-11 over VFW Post 1369 in opening night action of the 35 & Over League at the Wilson Park Softball diamond.

Coy powered a three-run homer in the fourth and added a double and single while Puent laced four singles in four at bats. Dick Portell, Ted Saho, Duke Kraus, Fred Jump and John Maron had two hits each.

Les Melloy had three hits and Howard Champion, Don Vukob, John Harrison, Dick Eys and John Mink two each for VFW.

Jiffy Car Wash, with Gas Lignons, hitting a base-loaded home run and a single, downed Jacobsmeyer's 9-7. Jerry Jackson hit a two-run double for the winners.

For Jacobsmeyer's, Stan Serwaka and John Allen had two hits apiece and Al Paskus and Rich Kriesch hit triples. Pat Patterson won, despite allowing 14 hits.

In games last night, Jacobsmeyer's topped Local 16 by 18-12 and Jiffy Car Wash topped the VFW 9-6.

Don May had three triples and a single in four trips for Local 16 with Cotton Singler rapping a grand-slam homer and a pair of singles. Maurice Mink, Mart in Clavar and Carl Lindhart added two hits each.

For winning Jacobsmeyer's, Jim Reiter had a homer and two doubles and Les Thompson a double and two singles. Getting two hits were Serwaka, Harry Vukob, Kriesch and Harry Mink.

Paying Jiffy were Pops Schwendemann and Jerry Jackson with three hits and Don De Cruse and Nick Perillo with two. Tom North and Stucke had two hits each for VFW.

Belleville Hires Coach
Dave Shannahan, head basketball coach and athletic director at Sparta high school, will join the Belleville staff as sophomore basketball coach and assistant track coach next year. Shannahan directed Sparta to a 20-7 record in his only season there.

Softball Doubleheader
An exhibition softball doubleheader between Granite City Street Credit Union and Caseyville is slated for 7 p.m. Saturday at Wilson Park.

Swimming Trophy, to be presented to the winning Explorer post in the Unihav District's invitational meet, is shown by Marty Aerie (left), meet chairman, and John L. Matros, cabinet chairman of the district. The event will be June 5 at the Granite City Army Depot.

Swimming Meet Slated For Explorer Scouts June 5 at Army Depot

A swimming meet for Boy Scout Explorers in the Unihav District will be held at 11 a.m. June 5 at the Granite City Army Depot swimming pool. Registration will be from 9:30 a.m. to 10:45 a.m. that day.

A trophy will be awarded to the post with the highest team score and ribbons will be presented to individual winners. The trophy will be on display at Glick's, Belleme Shopping Center.

Each post will be limited to two entries in each individual event. Explorers attending the meet will be limited to three events and AAU rules will govern the meet.

Points will be awarded for attendance based on percentage of Explorers attending. A registration fee will be charged.

For further information, call Marty Aerie at 777-0704 or John Matros at TR 7-3667.

Grand-Slam Homer Among Boys' Blasts

A grand-slam homer by Danny DeHuntz in the Bombers' 36-14 win over the Shifts Monday in the Nameoki Little League season highlights reported from local boys' baseball organizations.

Terry Hollis of the Bombers hit a three-run roundtripper. In Granite City Park League action Tuesday, Don Hadix of Barker Cornets hit a homer in an Atom game. Monday night Jim Mink and Mark Leonard of Belleme Toy homered in a Bantam contest.

Last night in the Mitchell League, Lucky Criggs, based on a walk-off hit for the victorious Hawks. Scores and schedules are listed under "Boys Baseball."

(ED. NOTE: Team managers should make special note of highlights when reporting games to league officials to insure coverage in the Press-Record.)

Four Tavern Teams Play
Bowling meets. Sidetrack Lounge at Wilson Park and Oak Hall takes on Tony & Joe's at Third Street, Madison, in Tavern League slow-pitch softball game at 10:30 a.m. Sunday. Shamrock has dropped from the league so Liberty Home will receive a forfeit victory.

For Gary Proctor's Coolidge team, the 380-johny quarter of the Mullenix, Joe Arco, Rich Asadorian and Jim Jones set a new meet and school record of 13-65 in tying Emgo for first place.

Ricky Talley, Arco, Asadorian and Jones ran on the first-place sprint medley entry and Rich Duff, Jerry Cook, Mike Eliff and Talley were second in the 440.

Jones was second in shot put Arco third in the 100 and Gary Proctor, Mike Allen, Larry Knox and Mullenix ran third in the shuttle hurdle relay.

Prather, coached by Whitney Thompson, led the 440 with Tony Perillo, Larry Lee, Ray Becerra and Bill Carter running. Dennis McGee won the half-mile.

Lee, Tom Henderson, Carter and Roger Belshe were second in the shuttle event with Belshe and Lee runners-up in the discus and broad jump respectively.

Jack Parker's Central 1e a.m. won three thirds—Jerry Thompson in pole vault, Al Thompson in high jump and Jesse Clemens in shot. Tim Leonard and Jim Rollins in the 440 relay.

GC Trackmen Enter SW Conference Meet

Granite City's Warriors' end the prep track season tomorrow in the annual Southwestern Conference meet at Parsons Field, East St. Louis. Preliminaries start at 4:30 p.m., finals at 6 p.m.

Captain Jim Morrison lapped East St. Louis as the favorite to unseat 1964 champion Alton and sees Wood River as "coming on strong."

The Warriors lost their final meet 79-58 Tuesday to the host Belleville squad. With speedy Leonard Revelle taking a rest, Vince Debeve scored victories in the 100 and 220-yard dashes. Other Granite City winners were Dwan Bridges, pole vault; Jerry Line, shot put, and Larry Anderson, high jump.

Bill Davis won three events for the sophomores but Belleville took a 56-51 victory. Dan Partney won the board jump and high jump.

Cotter's Poke Fails To Rally Sportettes
A last-minute two-run homer by Diane Cotter brought the Varsity Sportettes close, but not close enough, last night in a 5-4 loss at Caseyville.

She pitched a two-hit but six errors on the sloppy field led to her downfall. The contest was a Girls' Twilight Softball League affair.

Tom Chase's Sportettes are home to Wood River at 8:30 a.m. tomorrow at Lee Park, Venice.

Batting Averages Listed For GC's Hoffman, Diak
Eastern Illinois University baseball averages list Granite City second baseman Glenn Hoffman at .214 and Larry Diak at .205 as the Panthers prepare to close their season tomorrow and Saturday at Central Michigan.

Diak has a .944 fielding average. EIU tennis ace Bill Logan, also of Granite City, has a 7-3 record in No. 2 singles and will compete in the first round of championships this weekend at Normal.

ANNUAL RED CROSS MEETING head table consisted of (left to right) Mr. and Mrs. Walter Pfaff, Chapter Chairman and Mrs. Gerald G. Walters, Major Alvin Morgan of the Granite City Army Depot, Mr. and Mrs. Theodore Overbeck

HONORED FOR LONG SERVICE to the Tri-City chapter of the American Red Cross this week was Mrs. Harry Epstein, who was presented with a certificate and a 30-year Red Cross pin by Treasurer Floyd T. Mitchell (left). At right is Emerson G. Stephens, Scott Air Force Base Red Cross field director.

Mrs. Epstein Honored for 30-Year Red Cross Service

Mrs. Harry (Fanny) Epstein, one of the most active volunteer workers in the Tri-City chapter of the American Red Cross, was honored at the annual dinner meeting of the chapter held Monday evening at the Army Depot. Mrs. Epstein, who is retiring from the board of directors and from some of her volunteer activities, was presented with a certificate and a 30-year Red Cross pin by Floyd T. Mitchell, chapter treasurer. He cited her long service in fund-raising, disaster assistance, blood program and other phases of Red Cross work.

Mrs. Epstein responded to the surprise award with a brief talk in which she said the death of her son brought her closer to the Red Cross program and its aid to young men serving in world war II. "The Red Cross will always be close to my heart," she commented.

Officers Retained
The chapter installed as its 1965 officers the same four currently in office, Chairman Gerald G. Walters, Vice-Chairman R. C. O'Neill, Mrs. Leo Pfaff, secretary, and Mitchell, treasurer.

Paul Morris, Robert Kurilla, Melvin Gillie and Michael Rafferty were elected as new directors. O'Neill was named to a second and three-year term on the board, and Mitchell was appointed to a new director term after a year's absence from the board. No more than two terms can be successive. The nominations were presented by a committee headed by Barry Loman.

U. S. Funds Granted For Pre-Schooling

A grant of \$133,968 for the Madison county school system permits its participation in Project Head Start which will provide seven weeks of pre-school training this summer to 750 underprivileged children in the county, was announced Tuesday by the U. S. Office of Economic Opportunity.

The allocation was made public through the office of Congressman Melvin Price, Democrat of East St. Louis. Head Start classes will be conducted at 11 child development centers which will be established in Granite City, Madison, Venice, Alton, Bethalto, East Alton, Wood River, Roxana, Livingston, Woodmen and Collinsville. Plans are being made for a starting date of July 6.

The program also will provide employment for 60 adults and 14 volunteers needed to assist in preparing the youngsters for their first year in school this fall. There will be 55 professional educators and counselors connected with the project.

Those eligible for the project are children who will be entering school for the first time next fall who come from families with an annual income of less than \$3,000 or where the family provider is unemployed, on relief or an ADC recipient. Five nurses will participate and the children will receive complete physical and dental examinations.

The program was instituted in Madison county by William R. Trimpe, Madison county superintendent of schools, who handled negotiations to secure the grant. The project has been approved by Gov. Kerner.

2 Local Achiever Firms Honored at JA Banquet

The Blue J. A.'s firm, counselled by Granite City Steel Co., was honored as the best Junior Achievement company at the Granite City center and was presented with the National Management Association award at the annual "Future Unlimited" banquet conducted by the Mississippi Valley JA region Tuesday evening at the St. Louis Arena.

Amisco, counselled by the American Steel Foundries, Inc., and Dow Metal Products Co., received an award as second best in food.

The banquet was attended by 300 businessmen and industrialists and Junior Achievers from the metropolitan area. August A. Busch, general banquet chairman, presided. Hermann F. Spoehrer, Spordan Valve Co., presented \$50 in scholarships.

Among speakers were three achievers in addition to Ralph Silverman, National Auto Supply Co., who presented company awards, and Allen H. Burgess, JA regional president, Missouri Chapter.

A special guest, Dr. O. Walter Wagner, president of the Metropolitan Church Federation, offered the invocation, and Rabbi Julius Nodel, Shaare Emeth Temple, gave the benediction.

During the program it was announced that the regional JA organization is establishing the "Free Enterprise Award" to be presented to the person in the metropolitan area who has, by his contribution of time, ideas and effort, accomplished more than any other individual in the area to further the principles of American free enterprise.

A committee of five leading business and civic leaders will make selections in December of each year, with presentation set for a special luncheon in January.

Driver in Collision Faces 'Start' Charge

A charge of making an improper start with a motor vehicle was placed against Dennis Michael, 20, of Hillsboro, following a two-car accident Tuesday afternoon at 26th street and Washington avenue.

Police said Michael's car and one driven by Frances Henry, 2612 East 25th street, were headed west on 26th street and were stopped for a boulevard sign when Michael backed his auto into the Henry car. Michael told police he was backing to permit another auto to make a left turn off Washington avenue.

His hearing is set for May 28.

Marshall PTA Installs Officers

The final meeting of the Marshall school PTA was held Tuesday evening when new officers were installed by Miss Mary Hopkins, school principal.

The staff includes Mrs. Dorothy Lichner, president; George Toller, vice-president; Mrs. Lois Ferrer, secretary; and Mrs. Shirley Epton, treasurer. Corsages were presented to the officers.

Chester Swickel, the retiring president, was in charge, and thank you letters were read from the sixth grade for a recent trip to the St. Louis Planetarium and Jefferson Memorial. Reports of the picnic held Monday were made and Mrs. Kathleen Tadlock introduced the new PTA song list.

Reports of the recent convention were given by the delegates, Mrs. Lichner, Mrs. Tadlock and Mrs. Ferrer. Coffee and cake were served after the meeting.

Installation at Maryville PTA

An installation of officers took place at the final 1964-65 meeting of Maryville school PTA Tuesday evening at the school.

Mrs. Pat Baumberger, president, led the business meeting. The pledge of allegiance was given in unison, followed by a vocal music number by the fourth graders, under the direction of Kenneth Jones, and sixth graders, directed by Mrs. Constance Jenne.

Owen Humphrey, principal, presented awards to all sixth grade pupils. Reports were submitted by Mrs. Ruth Knapp, Mrs. Dorothy Luckert and Mrs. Wyatt Watkins. It was announced that a recent book fair was a success.

The members voted to change by-laws regarding meeting dates. Next year, the PTA will meet every other month.

The president noted the school picnic will be held today at Wilson Park. Mrs. Delfon Grothuis reported on legislation and Mrs. Velma Guen spoke on conferences she attended at the state PTA convention.

Humphrey served as installing officer. New officers are Delfon Grothuis, president; Mrs. Mary Church, vice-president; Mrs. Velma Guen, secretary; Mrs. Mary Stovall, treasurer; Mrs. Dorothy Ryer will serve as publicity chairman.

The evening's prize went to Ed Merkelsbach and the attendance banner went to the sixth grade. Refreshments were served by fourth grade room mothers.

Kiwanis Hear 100-Year Salvation Army History

Faces Theft Charge

Steve Whitley, 45, of 1014 Douglas avenue, Venice, was arrested at 8 p.m. Monday on a charge of stealing an electric skillet from Roxie Humble, also of the Douglas avenue address. Whitley also was named on charges of disorderly conduct and resisting arrest.

An outline of the 100-year history of the Salvation Army was presented by Lt. Kristian Anderson, director of the St. Louis Temple Corps and Salvation Army recreation center, who addressed a dinner meeting of the Granite City Kiwanis Club held Monday night in the Rose Bowl restaurant. He was accompanied to the dinner by Captain Mildred Walker, local Salvation Army executive.

Lt. Anderson described the formation of the organization in 1865 in London, England, by William Booth, a Methodist minister. Originally called the Christian Mission, the group changed its name to the Salvation Army in 1878 and designed uniforms for both men and women officers and adopted a semi-military system of leadership.

Its cause spread quickly throughout the world, Lt. Anderson related, and in 1880 was established in the United States. He went on to summarize the present day program and discussed the recreation center at 3110 Iowa street, St. Louis, which provides recreational facilities for young people of all denominations.

Kiwanis President Herbert R. Schanhol was in charge of the business meeting attended by 13 members. Roy Feder reported on the National Rifle Association's safe gun-handling course, slated to be held at 7:30 p.m. Monday and Tuesday, at the YMCA.

31st ANNIVERSARY SALE!

We Are Proud of Our Age! More Experience Means More For You!

MORE Selection! MORE Value! MORE Styles! MORE Service! MORE Satisfaction!

**SO WE'LL TAKE THE BOWS ON OUR
BIRTHDAY! YOU TAKE THE BARGAINS!**

We could tell you about that wonderful year long ago of our business birth, but as Confucius say, "He who spends today bragging about yesterday, won't have anything to talk about tomorrow." So let's talk about tomorrow... at 8 A.M. sharp... when we combine the Big Balloon Discount Sale with our Anniversary Celebration. This is the main event of the year!

All the things that went before were preliminaries. During our 31st Anniversary we're offering buys that will pop your eyes out and, tomorrow and Saturday, every time you hear a "pop," somebody will be saving an extra 5, 10, 25, even as much as 50% on their purchase... It's easy and it's fun... Here's how it works! Select your furniture and make your purchase. Then pick your lucky balloon and pop it! Inside you'll find a slip giving you an additional discount on your purchase, possibly as much as 50% off the already low sale price. This offer does not apply to any purchase made prior to Friday, May 21st.

Hope Lutheran to Honor Youth Groups at Dinner

Hope Lutheran Church will hold a youth banquet at Concordia Parish Hall Saturday at 6 p.m. Professor Raymond Martens of Concordia Seminary, Springfield, Ill., will be guest speaker.

Prof. Martens, a native Texan, is presently a teacher of New Testament theology at Concordia Seminary. This summer, he will receive his doctorate in sacred theology at Concordia Seminary, St. Louis.

Hope Lutheran Church is honoring the youth groups in its congregation: the Waltham League and the Nookes club. Highlight of the evening will be announcement of the winner of a trip to Squaw Valley, Calif., to represent Hope in the international convention of the Waltham League of the Lutheran Church, Missouri Synod. There will be other awards for athletics, scholarship, service and achievement. About 250 are to attend.

Quad-City Shopper Service Curtailed

Elimination of the Granite City "shopper express" run and one of two express trips on the Pontoon Road line was announced by officials of the Bi-State Transit System Tuesday. The action was made necessary by lack of patronage, it was said.

The Quad-City trips were among seven of the 12 special shopper trips that were eliminated in the metropolitan area upon expiration of a one-year \$337,754 federal demonstration grant for seven express and one cross-country line. The express lines had been operating on an experimental basis since May 18, 1964.

The Granite City run that was eliminated provided two trips daily, leaving Pontoon road and Venice avenue at 9:04 a.m. and 10:04 a.m.

The Pontoon Road run formerly included two trips, leaving Pontoon road and Mayville road at 9:04 and 10:04 daily. The single remaining trip now leaves at 9:30 a.m. The previous return trips at 2:41 p.m. and 3:11 p.m. from 14th street and Olive in St. Louis have been eliminated and the single return trip is rescheduled at 2:56 p.m. from the same location.

One trip each also was dropped from the Lackland road, Watson road, Big Bend and Greer road lines in St. Louis.

GC Residents on Heart Association Program

Presentation of two new members by Harold Thomas of Granite City, membership chairman, and a talk by Miss Diane Kinney, of Granite City, were among features of the program of the Madison County Heart Association which met Monday night in Alton. Dr. William C. Hays, Alton internist, was elected chairman of the association.

Miss Kinney and William Stratton of Wood River are Heart Science scholarship winners who will attend the University of Illinois and work in the new Burnside Laboratory doing research this summer.

Sub-committee reports were presented in the meeting. George N. Brooks, Community Services chairman, pointed out that primary rheumatic fever prevention programs operated by the Illinois Heart Association now serve more than 8,000 children in the Madison county schools and that 454 throat cultures were taken this year, with 28% of them positive.

Leroy Krost, Collinsville, chairman of the fund raising advisory committee, announced the appointment and acceptance of Leslie M. Marks of Edwardsville as county campaign chairman and Miss Eulalia Hotz, county clerk, also of Edwardsville, as vice-county campaign chairman for the 1966 fund campaign.

S. R. Hordesky, 43, Dies in Ohio Hospital

Stephen R. Hordesky, 43, of 41 Riviera drive, died at 1 a.m. yesterday, at Cleveland Clinic Hospital, Cleveland, O., where he was scheduled to undergo heart surgery this week. He had been in the hospital for three days and under a physician's care for a heart condition for the past three months.

Born in Mayfield, Pa., Mr. Hordesky had resided in Granite City for 23 years and was employed at General Steel Industries for the same period of time. He was an assistant general foreman with the company.

A world war II veteran, Mr. Hordesky was a past commander of Long Lake Amvets Post 187. He was a member of St. Elizabeth's Church.

He is survived by his wife, Mildred; two daughters, Barbara and Linda; his mother, Mrs. Anna Hordesky of Carbondale, Pa.; three brothers, John and Joseph E. Hordesky of Granite City; Michael of Emporium, Pa.; and Emil of Scranton, Pa.; four sisters, Mrs. Loid (Mary) Stout, Florissant, Mo.; Mrs. last night in The Den restaurant, 2401 State street, Tuesday evening at 6 p.m. (Twenty-five guests attended).

Robert Schofield, chairman of the 1965 Mayfest City pageant, announced that Dr. John Reed will serve as judging chairman, Darrell Chews, entries and Earl Dotzauer, publicity chairman.

A "teenage roadster" is set for May 30 at Nantuxi Village shopping center, with Robert Collins as chairman.

The Jaycees will hold an election meeting June 2 at the Tri-Minor Bowl, with an installation dinner June 5.

Chouteau Twp. in Drive On Dumps and Old Autos

A drive to clean up areas of Chouteau township now containing open dumping grounds and junk car lots is being launched by Chouteau township supervisor Joseph Trovolder and the town board's health and nuisance committee, along with the aid of Madison County Zoning Administrator Jack R. Clifford.

Trovolder said township and zoning officials have been working against approximately 100 zoning and health law violators in the South Roxana area. He said owners of abandoned cars that clutter South Roxana and the dumping grounds along township roads have been given a June 15 deadline to clean up the areas or face prosecution.

The campaign was discussed Monday night at a meeting of township officials with Clifford and county zoning committee chairman Clarence Nicolet of Godfrey. It is the first major enforcement of zoning laws initiated by township officials since the zoning law was put on the books in February 1963. Health Board Chairman George Warneke pointed out the old cars present a danger to children who could crawl into a trunk and suffocate.

Warneke, Otis R. Reeves, township tax collector, and two other health board members, Marion Sparks and Cetus Bedwell, will begin recording the number and location of zoning and health violators.

Investments Topic Of GC Jaycee Meeting

George J. Frangoulis, a senior account executive with Dempsey, Tegler and Co., Inc. spoke on "Investments - As Everyone's Business" at a dinner meeting of the Granite City Jaycees held at the Tri-Minor Bowl, 2401 State street, Tuesday evening at 6 p.m. (Twenty-five guests attended).

Robert Schofield, chairman of the 1965 Mayfest City pageant, announced that Dr. John Reed will serve as judging chairman, Darrell Chews, entries and Earl Dotzauer, publicity chairman.

A "teenage roadster" is set for May 30 at Nantuxi Village shopping center, with Robert Collins as chairman.

The Jaycees will hold an election meeting June 2 at the Tri-Minor Bowl, with an installation dinner June 5.

Complex Federal School Aid Programs Outlined

Complex new federal programs were explained to Madison County yesterday by County School Superintendent Wilbur Trimpe, acting county chairman of the economic opportunity or "anti-poverty" program. He said steps are being taken to name a director, five assistant directors and staff.

Trimpe urged participation to make use of federal funds allocated to "anti-poverty" training programs related to public schools and universities. He said Madison county last year had the second largest program in Illinois for education of the illiterate, and noted continuing decreases in state public aid rolls.

Distributing trends include a switch to 50-50 federal-local anti-poverty school financing after a 90-10-100 division in the first two years, the proposal to require potential Illinois dropouts to remain in school until 18 and increased competition for state education funds due to establishment of a new junior college program. Trimpe said. He was introduced by Madison School Supt. Wensel Brown.

Sister of Local Resident Dies Today

Miss Alice Rice, 2433 Delmar avenue, received word this morning of the death of her sister, Mrs. Helen Adair, 77, of Chihuahua, Mo., who died of a heart attack at 1 a.m. today.

Mrs. Adair, a frequent visitor to the Quad-Cities, also is survived by her husband, Emory Adair, and a daughter, Mrs. Elber (Kathryn) Anderson, both of Chihuahua. Funeral services will be held Saturday in Chihuahua, with arrangements incomplete at the present time.

The secret of happiness is to convert yesterday's trials into rays of sunshine today.

Accident Verdict In Byer Girl Death

A verdict of accidental death was returned by a coroner's jury Wednesday afternoon at an inquest into the death of Alice Ann Byer, seven, daughter of Mr. and Mrs. Thomas J. Byer who was fatally injured when struck by an auto on May 11 as she was crossing Pontoon road. The child was on her way to St. Elizabeth's school, where she was a first grade pupil, when she was struck.

The inquest, conducted by Deputy Coroner Francis Lahey in the Lahey Funeral Home, exonerated the driver, Raymond Barry 88, of 4 Terrace Lane. Barry told police at the time of the accident that he was blinded by the sun and did not see the child until she ran in front of his car.

Members taking part in the meeting were Mrs. Kenneth McDaniel, the class teacher, and Mrs. Jewel Ratliff, Mrs. Opal Fogle, Mrs. Ruth Clwelly, Mrs. Eula Lively, Mrs. Verna Williams and Mrs. Ruth Hannabrick. Mrs. William and Mrs. Hannabrick, co-chairmen, served strawberry shortcake.

Simulated Disaster Set For June 5 in Madison

A civil defense drill simulated, June 5, including simulated injuries, radioactivity monitoring and "wakeup" radio, county night at a Madison CD meeting led by Harry R. Johnson and E. A. Friedman. Final plans will be made June 2.

William Elsie, Southern Illinois CD coordinator, and Theodore Tokosoff, county CD chairman, conferred with the staff. It was reported that radioactivity testing equipment for the "Mild" report said the office shelter, a long machine had crossed Maryville road on Waterman and Madison. Mr. McCracken did not see the bicycle.

MRS. LEOA TUCKER
1234 Edwardsville Road
TR. 6-7227

Mrs. Geri Johnson of Highway 162, entered St. Elizabeth Hospital Sunday for tests and a checkup.

Crystal Stages, 2201 East 24th street, has been visiting her grandparents, Mr. and Mrs. Clyde Stages of LeMay, Mo.

Mr. and Mrs. Homer Abernathy, 2008 East 24th street, celebrated their silver wedding anniversary Sunday afternoon at an open house.

Hostesses were the couple's daughters, Mrs. Pat Goodrich and Miss Janice Abernathy, and a sister, Mrs. Clara Nolan.

Decorations were carried out in silver, and a three-day wedding cake centered the table.

Refreshments were served to 45 guests.

Ray Stratton of Rhodes street and Donnie Love of Edwardsville road motorcade to Danplan, Mo., Monday to visit their grandparents, Mr. and Mrs. Ira Wall. They returned Tuesday accompanied by an uncle, Jack Wall.

The Church of God of Prophecy on Bowles street took its Sunday school group on a trip through the Forest Park zoo Sunday.

PNEUMONIA PATIENT

Rita Lynn Hunter, daughter of Mr. and Mrs. David Hunter, 2201 East 24th street, entered St. Elizabeth Hospital Wednesday suffering with pneumonia. Maxine Wallace of Edwardsville road is undergoing treatment in St. Elizabeth Hospital.

JOHN PHILIP SOUSA AWARD WINNER, James LeGrand and Marilyn Shepard, who received the annual band award during yesterday's recognition assembly at Granite City high school. The occasion marked the first time two GCHS seniors have been selected for the honor.

MORE ABOUT Madison

(Continued from Page 1.)

Seventh and Iowa streets and the parade will begin at 2 p.m., routed along Madison avenue and east along Lincoln to the Legion grounds, where the ceremony will be held.

Following adjournment of the formal meeting, the student officials, headed by Casey Krakowski as mayor, conducted a full mock council meeting, step by step, with the assistance of their official counterparts.

The students, who accompanied officials throughout the day, went through the process of adopting a city ordinance, using the rules and regulations of the city council first adopted in 1942.

North Granite

MRS. EVA DEAN HARRISON
3032 Nantolli Drive
TR. 6-3025

Junior Girl Scout Troop 45 met Monday with its leader, Mrs. Loretta Justice, and co-leader, Mrs. Pearl Wells, in the back yard of the leader's home. The girls learned to pitch tents and made a list of things to take on a camping trip.

"Paper" was sung for dismissal. Scouts present were Cecilia Barnes, Beverly Bloodworth, Eddy Ann Box, Pamela Cross, Sharon Griffith, Marcela King, Corie Melchior, Connie Richardson, Robin Smith, Neida Walton, Cynthia Wyatt, Connie Singler, Donna Clapper, Regina Wood, Debra Williams, Debra Lippe, Beverly Williams and Verma Guse.

PEAN TEA FOR MOTHERS

Cadet Girl Scout Troop 234 met Monday evening in the cafeteria of Prather junior high school with the leader, Mrs. Norma Walton, and co-leader, Mrs. Ruth Hehle. The girls started final preparation for the mothers-daughter tea which will be held Monday night at the school. Each girl is to represent a citizen of a different country.

Patrol One elected Rula Hancock as its new leader. Scouts present were Becky Bailey, Vicki Hassan, Pamela Bird, Debra Bigner, Rula Hancock, Debra Hackett, Pamela Kessler, Donna Kuemhoff, Linda Lips, Sharon Smith, Paula Walton and Pamela Westbrook.

WCSO INSTALLS NEW OFFICERS

The Woman's Society of Christian Service installed new officers at Dover Avenue Methodist Church Tuesday evening. Miss Minnie King, president, was in charge of the meeting, which opened with group singing and prayer by Rev. John Ambury. The hymn, "An Evening Prayer," was sung and the devotion, "Prayer and the Life Within," was given by Mrs. Edith Rhodes, assisted by Mesdames Beulah Sparks, Fern SanSoucie, Benola Bilyeu, Little Squires, Alma Davis and Zetta Hornbuckle.

The group participated in a panel discussion on prayer. Mrs. Squires read closing prayer.

Officers for 1965-66 were installed by Rev. Ambury. Installed as president was Mrs. Minnie King; vice-president, Edith Rhodes; secretary of spiritual life, Gladys Pottilo; recording secretary, Benola Bilyeu; membership cultivation, Grace Lens; secretary of Christian social relations, Ella Lindner; secretary of program materials, Beulah Sparks; secretary of youth work, Wilma Ambury; secretary of supply, Mayme Waggoner; secretary of missionary education, Leola Darlin; secretary of campus ministry, Gladys Pottilo; and secretary of children's work, Benola Bilyeu.

Refreshments were served by the hostesses, Mrs. Alma Davis and Ella Lindner.

HONORED ON BIRTHDAY

Mrs. Robert Squires, 2823 Edwards street, celebrated her birthday Monday evening with a family party.

Those present were Mr. and Mrs. Stuart Squires and children, Lynn and Paula, Mr. and Mrs. Frank Ficker and daughters, Karen, Kathy and Mary. Mr. and Mrs. Jerry Pottilo and children, Sandra, Mark, Beth and Kirk.

Fourth Degree to Elect

The fourth degree assembly of Tri-City Council 1098 of the Knights of Columbus made plans for its annual election of officers at the June meeting during a meeting Wednesday night. Alvin Zaach was appointed chairman of the nominating committee by Marvin Boyer, faithful member, who is completing his second term.

Clarence Norman, 5151 Lakeview drive, pleaded not guilty Monday to charges of driving while intoxicated and careless driving and was released on \$2000 property bond pending a hearing. He was arrested at 9:40 p.m. Sunday after his auto struck the rear of a pickup truck owned by Delbert Klein, 2230 Adams street, while it was parked in front of his home.

TELEPHONE COMPANY officials and Illinois Commerce Commission representatives study a problem of mileage rate charges which phone customers of the Mitchell area claim, has resulted in discriminatory phone bills, with neighbors paying bills of varying amounts. Left to right are—Ray Short, telephone company engineer; Wayne Highley and

Noel Spencer, Springfield, utility engineers of the ICC; John Kisel, telephone representative of the ICC; W. L. King, district manager of the East St. Louis district office of Southwestern Bell, and Michael Rafferty, manager of the Granite City telephone office.

Milk Thrown on Auto
Mrs. Della Hedstrom, 2243 Cleveland blvd., was sitting in a car waiting for Willie Mason, the driver of the same address, when one of six persons in another auto threw what appeared to be chocolate milk on the car, spilling on the front seat, dashboard, windshield and hood, Mason reported Monday.

Parked Car Damaged
A parked car owned by Mrs. Mary Ann Andre, 1702 Elmhurst avenue, Madison, was damaged Monday when it was struck by a hit and run driver while it was parked in front of her home. The car was damaged on the left side and rear.

SW Bell to Draft New Phone Rates for Mitchell Rural Area

Preparation of a new rate schedule satisfactory to telephone users in the Quad-City rural area will be completed within the next 30 days, officials of the Southwestern Bell Telephone Co. informed a delegation of rural phone customers and representatives of the Illinois Commerce Commission in a meeting at Mitchell Monday afternoon.

The delegation representing area residents who recently filed complaints of discriminatory rate charges under the present mileage fee system, agreed reluctantly to the 30-day grace period and announced that unless a satisfactory schedule is forthcoming, residents of the rural areas will file a complaint with the ICC in an effort to place the rural sections on the same base rate as Granite City.

John Kisel, Springfield, telephone representative of the Illinois Commerce Commission, presided over Monday's meeting in the Mitchell Presbyterian church. Also present were Wayne Highley and Noel Spencer, both of Springfield and utility engineers of the ICC. The state officials called the meeting after a group of rural residents, headed by Mrs. Robert Polley of Thorngate drive, presented the ICC with petitions signed by more than 650 phone customers calling attention to alleged differences of telephone rates within subdivisions in the rural areas at Mitchell.

Principal arguments presented by Mrs. Polley, Cecil Sampson, also of the Thorngate area, and other residents of the area involved comparison of rates paid for phone service under a present mileage rate system which calls for payment of an additional 50 cents for each quarter mile outside of the base rate area for a private line. Mrs. Polley told the ICC representatives that checking within the area had revealed that as many as three different rates being charged neighbors that live within half a block of each other.

Other residents told of instances in which they had been backbilled for mileage rates that had not been included on original bills, while other referred to cases they had learned of involving refunds of mileage rates to customers who admitted they were not entitled to them.

"We want to eliminate the discrimination. What is fair for one should be fair for all," Mrs. Polley said. "The phone company has been told this many times and they have made no effort to correct the situation."

Representing Southwestern Bell Telephone at the meeting was W. L. King, district manager of the East St. Louis district. Stu Troutman, public relations engineer; Ray Short, commercial engineer; and Michael Rafferty, manager of the Granite City office.

Troutman told the group that

the telephone company is in the process of preparing new rate schedules which will be placed in use when the new telephone exchange equipment from the Pontoon Beach building, now under construction, begins operation, probably in October. The delegation asked however, if the new schedule would place the area on a base rate and eliminate mileage rates.

Consider Base Rate
Troutman replied, "A base rate is being considered but it is too early to say definitely what we will do. If the mileage rate is not eliminated entirely, it will be reduced substantially."

Mrs. Polley and the others contended strongly that use of a base rate "is the only fair way to fix the cost on phone bills. At one point she asked Kisel if the people could file a complaint with the ICC to obtain a hearing on whether the company should be ordered to place the area on a base rate.

Kisel replied that this could be done, but that it would have to proceed through the course of a regular hearing.

This would take time, he pointed out, and it would be well to permit the phone company to proceed with its preparation of a new rate schedule which might solve the problem.

King explained that any discrepancies in billing were clerical errors and that the situation would be checked. One member of the delegation replied that "we have called many times to have things checked and nothing was done about it."

Troutman remarked that "We would certainly rather use considered dumb than dishonest. We have perhaps been ineffi-

Niedringhaus Students To Hold Picnic May 27

Mrs. Clarence Harmon, general chairman of the annual Niedringhaus school picnic May 27, has outlined plans to fellow committee workers.

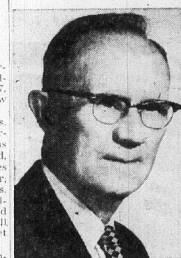

Serving with her will be Mrs. Millard Schwerdtman, Mrs. Arnold Fleishman, Mrs. Thomas McRaven, Mrs. Edwin Siebold, Mrs. Julius Conway, Mrs. James Craig, Mrs. Martin Arbeiter, Mrs. Lawrence Leckhart, Mrs. Rick Malzer, Mrs. James Elmore, Mrs. Richard Francis and Mrs. Kenneth McGee. They will take charge of the food, ticket sales and booths.

Other workers have been enlisted to assist the members in the various booths. "The picnic will take place at Wilson Park. It will be preceded by a parade of the children led by "Jackie the clown" and a contingent of the Granite City high school band.

Four tickets will be given to each of the children and during the day two transistor radios will be given by Radio Botling Co. to a boy and girl.

Committee members will meet in the home of Mrs. Harmon, 2406 Edison avenue, to make final plans, and they will be made known to parents at next Tuesday's P.T.A. meeting.

He has been a member of the CUNA Mutual board of directors since 1962 and is a director of the Illinois Credit Union League.

Twilight Optimist Receives Honor

The Twilight Optimist Club of Granite City has received an annual award from the Alton chapter of the Council for Exceptional Children, it was announced today by Leonard Kampwerth, chairman of the awards committee. The chapter represents local school units and other groups

working with exceptional children in 15 Madison county communities. Kampwerth explains that the honor is conferred each year to an organization which has made a significant contribution to the betterment and welfare of exceptional children. The award was presented last night at the chapter's annual spring banquet in Edwardsville high school. Wilson Andrews, president of the Twilight Optimist Club, accompanied by Mrs.

Andrews, attended the dinner and accepted the award. The local service organization was cited for its presentation of a station wagon to the Granite City Association for Aid to Retarded Children several years ago. The vehicle, which was kept painted and repaired by the club, was recently traded for a new bus now used by the GCAARC group to transport local youngsters. AWARDS—G. C. TACKY DAY COSTUMES worn by Granite City high school students. They are, left to right—Larry Frazier, representing the Hawaiian Eye television series; Eugene Tondre, representing Mark Twain; and Dixie James as Wilma Flintstone and John Evenden as Bam-Bam from the Flintstone series. The theme of this year's Tacky Day was based on television characters.

Judy Reidelberger
Named to Attend
Space Symposium

Judy Reidelberger, Venice high school junior, has been selected to attend the St. Louis Bicentennial Space Symposium, fifth annual conference on the peaceful uses of space, on May 26, 27 and 28 at the Chase-Park Plaza hotel, St. Louis.

She is one of only 65 students selected from public and private high schools within a 50-mile radius of St. Louis.

The participants will be greeted by A. J. Cervantes, St. Louis mayor, will attend all sessions of the symposium, will have an opportunity to meet and speak to the lecturers, astronauts and other celebrities and will receive a certificate of attendance and a transcript of the proceedings and other literature to help them and the community they represent to benefit from the symposium in the future.

Wage Rates Hiked to \$1
For Student Workers

Wage rates for student part-time workers at Southern Illinois University, Carbondale, will be increased July 1 to a minimum of \$1 per hour. The present minimum is 85 cents.

Maximum hourly wage rates will be \$1.75 for regular students and \$2 for graduate students. The new schedule also provides for the federal work-study program in which certain students may choose to work full-time for one quarter (three months) a year to accumulate funds for continued attendance at the university.

Delyte W. Morris, university president, said the new scale and addition of special provisions for students covered by the federal work study program does not alter the university's basic desire to extend financial aid to as many students as possible in exchange for necessary work. Last year more than 5000 students received an average of \$700 per year.

CAMPAIGN ORGANIZATION for the 1966 United Fund Drive is checked by drive leaders following announcement today of the appointment of George W. Reeves, assistant vice-president of the First Granite City National Bank, of right, as chairman of the Commercial Division of the fund campaign. Sectional drive leaders also were announced today. From the left, looking on, are John R. Hundley, general campaign chairman, and Carl Mathias, co-chairman.

UF Chairman Named for Fall Campaign

George W. Reeves, assistant vice-president of the First Granite City National Bank, has been appointed chairman of the Commercial Division of the Tri-Cities area United Fund campaign to be held next fall, according to announcement this morning by John R. Hundley, general campaign chairman.

Reeves will be in charge of solicitation of all business firms and their employees in the Granite City area, including Bellemore Village and Nameoki Village shopping centers.

Reeves previous campaign experience includes service as a worker in the Commercial Division, captain in the Finance, Real

Estate and Insurance Section, the Special Gifts Division and on the Publicity and Promotion committee.

Enrolled to assist him are Arthur R. Koerper, cashier, American National Bank, as chairman of the Finance, Real Estate and Insurance Section. Koerper served in this section last fall, and has worked previously in the Commercial and Special Gifts Divisions.

Herbert Schermer, Schermer's Men's Store, will head the Retail Section for the second year, having worked in the Commercial Division four years in succession.

Grocers and confectioners will be solicited by teams organized by William Kozysak, Kozysak's IGA store, who has served as a worker in this section for two previous drives.

Harry Wolff, National Auto Supply Co., will solicit automobile dealers, garages, gas stations and their employees as chairman of the Automotive Section, a post he has held for two previous drives.

Prior positions in the campaign include service on the Publicity committee, and as a worker in the commercial Division.

Appointed chairman of the section covering cleaners, laundries, TV and Radio repair shops is Homer Johnson, with Metropolitan Life Insurance Co., who serves in this capacity for the second year. He has worked in the Commercial Section for three prior campaigns.

County Nets \$11,388 on Sales Tax in February

Madison county will receive \$11,388 in February unincorporated area sales taxes, compared to \$11,494 in February 1962, \$11,478 in February 1963 and \$10,372 in February 1962.

Latest tabulation by the Illinois Department of Revenue now headed by Marshall Koshak, shows a \$12,282 gross collection for the month. Protested taxes amounting to \$420 are being withheld pending court decisions, and another \$474 or 47, was deducted to reimburse the state for collecting and disbursing the taxes. A pending state bill would reduce this deduction to 2%.

For the first two months of 1963, the half-cent-dollar tax has produced \$23,484 for the county treasury, an increase over the \$22,191 in January-February 1964.

Spreading Charge Filed

Richard L. Love, 2704 Edwards street, was arrested Monday at 23rd street and Madison avenue on a charge of speeding. A hearing was set for June 2.

MOTHERS DAY PROGRAM AT HOLY TRINITY CHURCH

The Sisterhood of Holy Trinity Bulgarian Eastern Orthodox church entertained three other women's organizations of the church, the Bulgarian Ladies Society, the Macedonian-Bulgarian Ladies Aid Society and the Ladies Society of "Bashtrik Kni" at a Mothers Day program in the church dining room this week.

Mrs. Mary Andria, president of the Sisterhood, welcomed the members and guests and gave a brief talk on "Mother." Rev. Peter Stamboljiev offered prayer and discussed mothers in connection with the church. The remainder of the program consisted of appropriate readings by Mrs. Stamboljiev, Mrs. Nevenka Kacaloff and Mrs. Olga Tarzoff.

After the program luncheon was served to about 85 members of the four organizations and their guests. Flowers were presented to the eldest and the youngest mothers attending.

PIANO PUPILS TO GIVE RECITAL

Mrs. Jewel Everett will present her piano pupils in a recital Friday at 7:30 p.m. at First Baptist Church, 21st street and Delmar avenue.

Those participating will be Bonny Byrnes, Linda Beadle, Stephen and Michael Sotiroff, Tessie Becker, Larry Christian, Kathy Lee, Karen Cochine, Patricia and Marie Belanski, Karen Smith, Wayne Fisher, Karen Fisher, Cathy Penny, Rose Mary Dorogah, Janice Shankel, Nick Bogovich, David Smith, Raymon, Housh, Anna Mae Zimmer, and Terry and Donna Mohorn.

TAKE PART IN RECITAL

Among the students participating in the third annual piano recital sponsored by the Johnson Music store early this week and held at Wesley Hall of Niedringhaus Memorial Methodist Church were Mary Anne Christoff, Denise Lindner, Kathryn Zubov, Denise Williams and Paula Shelton.

Opti-Mrs. Club Closes Season

A 12:30 luncheon highlighted the meeting of the Noonday Opti-Mrs. Club, the last of the season, Monday at the Rose Bowl.

Hostesses for the day were Mrs. Raymond Henley, chairman, assisted by Mrs. Merl Jennings, Mrs. Russell Johnson and Mrs. John Kirchoff.

Mrs. Anthony Michel, vice-president, was in charge and Mrs. John Wilson read the club collect.

Mrs. Gene Sternberg and Mrs. Carl Ranft of the Scholarship Committee, reported another student selected to enter Jewish Hospital School of Nursing this fall. She is Miss Nancy Kuhnrik, a daughter of Mrs. Mary Kuhnrik, 3011 Kirkpatrick Homes, and a Granite City high school graduate. Another student being sponsored at the school is Miss Karen Dannenberg, daughter of Mr. and Mrs. Emmert Dannenberg, 2862 Madison avenue, who will complete her course next year.

Games were played after the business meeting, and prizes were won by Mrs. Leonard Bickel, Mrs. Milton Allen, Mrs. Arthur Roseman and Mrs. Robert Armstrong. Others present were Mrs. E. A. Branding, Mrs. A. M. Wilson, Mrs. Charles Thurber, Mrs. Otto Roman, Mrs. David Fath, Mrs. B. C. O'Neill, Mrs. Victor Anderson, Mrs. Maurice Daley, Mrs. Don Farrington and Mrs. Herman Mueller.

The regular schedule of the club will be resumed with the September meeting.

Plan Niedringhaus Faculty Luncheon

The annual appreciation luncheon for the principal, teachers and the cafeteria staff for services rendered throughout the year at Niedringhaus grade school will be given by the school PTA June 3 at the Rose Bowl restaurant.

There will be favors for the teachers, and a gift of a dozen roses will be presented by the PTA unit to Miss Claudine Coulter, retiring teacher and former assistant superintendent of elementary schools. The luncheon will be held at noon in the "records day" observed by all faculty members throughout the district.

Mrs. Clarence Harmon, general picnic chairman, also will be honored for her work in organizing and planning the picnic.

Past Chiefs Hold Meeting

The Past Chiefs' Association of the Pythian Sisters met Monday in the home of Mrs. Nettie Conary on Edison avenue, and welcomed a new member, Mrs. Elizabeth Bost.

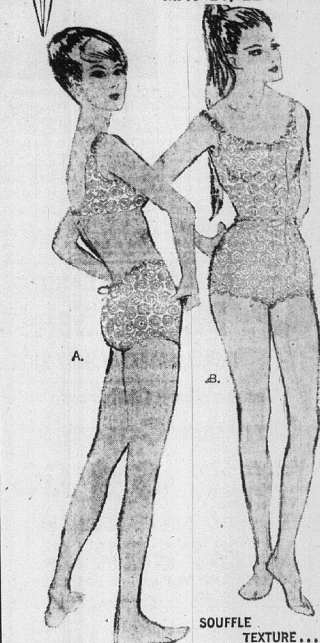

A noon luncheon was served and games were played with prizes going to Mrs. Olivia Lehman, Mrs. Ella McKittick, Mrs. Nell Hutchison and Mrs. Elmer Foster. Mrs. Hutchison also received the special award. Others present were Mrs. Martha Montague, who presided over the meeting, Mrs. Leola Arbogast and Mrs. Grace Backs.

SECRETARIES WILL HOST DIVISION MEETING
The Tri-Cities Chapter of the National Secretaries' Association will host the Illinois Division meeting in 1966, according to an announcement this week by the local club. The meeting has been held heretofore in downstate Illinois and the two local chapters competed this year for the distinction of entertaining the annual meeting.

Twenty-eight chapters were represented at the recent 1965 meeting in Schiller Park, Ill. The monthly publication, "The Bulletin," the NSA Notebook, has been awarded the third prize in the state, and fourth place in the Ways and Means project in the state.

2500 View 'Acre of Art' Display at GCHS

Over 2500 persons were attracted to the third annual "Acre of Art" exhibition Monday evening held at Granite City high school's Memorial gymnasium. The show was co-sponsored by the GCHS art department and the Granite City Area PTA Council.

The largest crowd ever to attend the all-schools art display viewed thousands of paintings, ceramic items, sketches and other forms of art work created by students of all age levels in the Granite City school system.

No charge was made for admission to the show. However, Eugene Alassi, art director for the Granite City elementary and secondary schools, reports substantial donations contributed by those attending and through purchases of art work by interested senior art students, has enabled an art scholarship to be granted for the third consecutive year.

Scholarship Winner

The 1965 art scholarship winner is Robert Penny, son of Capt. and Mrs. R. G. Penny, 32 Lakeview drive. Described by Alassi as an exceptionally talented art student with a high scholastic record, Penny was selected for the honor by the high school art faculty and the art director. He is interested in continuing his education at the University of North Carolina.

He has attended the local high school through his junior and senior years and is a member of the National Honor Society. Prior to enrolling here, Penny lived in France for some time with his parents and studied art in Paris, Alassi said. He added, although talented in many phases of art work, the GCHS senior shows definite inclination toward painting in oils and has completed several fine works in this field.

Several excellent works created by advanced art students still are available for purchase, Alassi said. Those interested in viewing the remaining exhibits

NEW CENTRAL CHRISTIAN CHURCH sanctuary as it will appear looking southward from Johnson road. The model shows how the new structure will be joined to the existing

church-educational building, part of which is shown at right. Groundbreaking for the \$210,000 project will take place Sunday morning.

Groundbreaking at Central Christian Church

The Central Christian Church, 2020 Johnson road, has awarded construction contracts for a sanctuary structure to be added to the existing educational building complex. It was announced today. Groundbreaking will take place Sunday.

Architect is William L. Flippen, AIA, Alton. The pastor is Rev. James R. Craddock, and chairman of the building committee is Muel Spengler. Estimated cost is \$210,000, including complete furnishings.

The general construction contract was awarded to L. Wolf Co. The plumbing contract went to Amco Plumbing and Heating, the heating and cooling contract to Granite Sheet Metal

Works and the electrical contract to Rite Electric Co. All are Granite City firms.

423-Capacity Auditorium. The building has been designed to tie into the existing structure and unite all of the existing exterior entrances into two common entries at the far ends of the property. The building will consist of an auditorium to seat 320 and a balcony-located choir with a capacity of 18.

Basic design concept of the sanctuary includes the use of water, natural light and natural wood as religious symbols on the chancel area. The use of chancel-type stained glass in a skylight area will enhance the lighting and beauty of the sanctuary. Rev. Craddock commented.

The plan also calls for a par-

lor, choir room and combination classroom. Corridors connecting with the existing building will all be covered and enclosed.

Brick, Wood, Copper. The exterior materials included are brick base, with wood shingles on the upper portion of the sanctuary as well as the tower. The roof of the sanctuary will be exposed copper.

The 9 a.m. service of worship this Sunday will be in preparation for the moment when the congregation will move from the present worship area to the new sanctuary which the new building will be erected there. The groundbreaking will take place and the service will be concluded.

An invitation is being extended to the public to share in the service. Rev. Craddock said.

Fellowship Awarded Evangelauf for Study

George Evangelauf, son of Mr. and Mrs. George Evangelauf, 1224 Madison avenue, and a sophomore at Tulane University, New Orleans, has been awarded a National Defense Foreign Language Fellowship for summer study at New York University, N.Y.

The award, sponsored by the Department of Health, Education and Welfare under the Fulbright-Hays Act of 1958, is designed to promote the study of designated "critical" languages and related fields of study. He will study Brazilian Portuguese. Students receiving the award must devote full time to an intensive study of the language, consisting of 25 hours of instruction per week.

The fellowships, of which 20 are awarded annually to qualified undergraduates, cover tuition and fees, round trip air transportation from St. Louis to New York, and \$50 a week living expenses.

He will leave for New York in early June and after the summer course is completed in August, will proceed to Madrid, Spain, where he will spend his junior year in residence at the University of Madrid. He is a graduate of Granite City high school.

"Serving the Community for Over 30 Years"

It takes a lot of "outside" help to get this year's big telephone job done...

This year Southwestern Bell is investing nearly \$1 million a day in an intensified construction effort to make your telephone service (already the most modern and reliable in the world) even better.

These construction dollars, pouring into communities large and small, account for some 17,500 jobs among the hundreds of firms which sell supplies, services and materials to the telephone company.

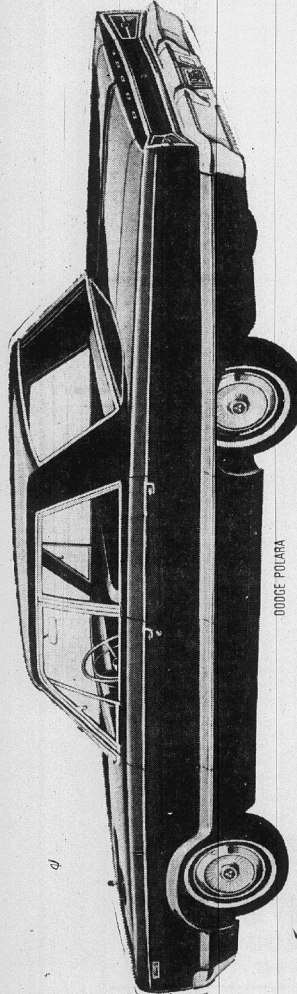

These jobs mean more paydays for secretaries, accountants, architects, brick-masons, carpenters, engineers, truck drivers, bulldozer operators, ditch diggers

—thousands of people who aren't telephone company employees.

There's another tangible benefit, too. Because hundreds of individual projects affect virtually every telephone exchange we serve, the economic impact in these communities will be significant and widespread.

That's how Southwestern Bell's construction program works to help build a more prosperous America. You, personally, will benefit through even better telephone service. "Your Town, USA" benefits from a surge of new dollars into the local economy.

Prices are Manufacturer's Suggested Retail Prices and include provisions for Federal Excise Taxes and Dealer New Car Preparation Charges, but exclude state and local taxes, if any, and destination charges. All prices include a heater. All prices are subject to change without notice.

DODGE LOOKS!

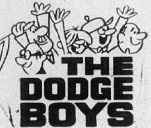

This is the best-looking Dodge ever. The look is bold, but tasteful. And we don't get all chromed up as you move up from one model to another.

THE DODGE BOYS DEALS!

The odds are the Dodge Boys will give you a better deal on your present car than the guy you bought it from. Why? We want new customers. And to broaden our sales, we've got to get more people who are driving other makes to switch to Dodge. And we're ready to sweeten the deal to get them. If that sounds good (And it is) come on in—the sooner the better.

ROTC Applications Still Being Accepted

Application deadline for participants in the new two-year Reserve Officer Training Corps program has been extended beyond the previous May 15 closing date, the Army announced. An application will be accepted from any qualified student providing it can be processed in time for him to attend either the June 14 or June 21 ROTC summer encampment.

The new two-year program, to be taken in the junior and senior years, opens ROTC opportunities to the man who, for some reason, was unable to participate in the basic course in his freshman and sophomore years. The program includes two six-week summer training periods before the junior and senior years in addition to on-campus instruction during the school term.

The student entering ROTC in his junior year will receive \$40 per month. Cadets attending the first basic ROTC summer camp will receive \$78 per month, and the second summer camp, \$120.60. Those interested should contact the professor of military science of the ROTC detachment at their schools.

NATIONAL HONOR SOCIETY members at Venice high school, recently selected because of grade averages of 2.0 or better, are left to right—seniors Diane Wilcox, Mary Donna Scaterra and Kathy Ochoa, seated, and Evelyn Ritz standing. They also wrote essays on why they would like to become members. Robert L. Hendrickson, language teacher, is the faculty sponsor.

'Y' Youths Selling Cookies for Equipment

The YMCA youth department has opened a fund campaign to help finance the purchase of equipment for its clubrooms. Fifty to 60 youths will be selling cookies.

The "Y" is planning to buy new tables and chairs for two new clubrooms, a new pool table and other games for an expanded lobby. The equipment is to be used in an expanded summer program.

The children also will be working for various sales awards during the sale which will last through May 29. Assisting are parents and certain businessmen of the community.

YOUNG SALESMEN at the YMCA ready to sell cookies to help finance new tables and chairs, a pool table and other games for their clubrooms and lobby. They are, left to right, first row—Phillip Lapinski, Carolyn North, Gary North and David Bradley; and second row—Stanley Walker, Dennis Farrance, Diana North and Robert Schildman.

Maybe the number of Chryslers we've sold this year won't interest you—

but we bet our prices will.

Understand this: If you can afford a smaller car, you can afford a Chrysler. Prices start just a few dollars a month more than the most popular smaller cars, comparably equipped. And, that means you get power steering, power brakes, automatic transmission, radio, heater and V-8 engine. We call that value — it's one reason we're having such a great sales year. Move up to Chrysler today!

Twice Each Month

GC Aldermen to Meet Early as Town Board

Granite City aldermen will meet 15 minutes earlier on the first and third Mondays of each month to conduct township business prior to the regular council session.

The resolution setting up the early sessions was approved unanimously Monday night. The council has been handling township business during regular sessions, as was the case Monday night.

Township Supervisor Nelson Hagnauer regularly submits reports to the council on the first and third Mondays as the aldermen also serve as the town board of auditors. The dual duty results because Granite City is a cooperative city and township.

The town meetings are to start at 7:45 p.m. and will be held in the council room on the third floor of the city hall.

\$843 for officials' and assessor's salaries; \$30 for assessor's travel allowance for Supervisor Hagnauer and \$30 travel for assessor's retirement; \$84 for assessor telephone service; \$24 for supplies; \$8 for election ballot box locks; \$672 for election supplies; \$10 for a public official bond; \$25 for a roll of stamps and \$6 for the April report of the Associated Retailers.

The payments to the deputy assessor were: Mary Boring, \$126; Catherine Colligan, \$84; Geraldine Gorbey, \$57; Dixie Griffin, \$109; Mary Halliburton, \$114; Sally Harper, \$36; Carrie Henson, \$84; Julia Lancaster, \$120; Richard Reber, \$120; Gladys Reeves, \$96; Anna Wilson, \$90; Wilma Hollar, \$60; Joan Ruth, \$24; Laura Sykes, \$42; Karmyn Wagner, \$24.

Fire Plugs Going In—And Coming Out

Removal of at least five unnecessary fire plugs and a request for installation of a hydrant at the end of Braden avenue and for a survey of fire hydrant needs in North Granite were among topics at Monday night's council session.

The removal of hydrants is in the mill which has been cleared out of homes for the basic oxygen steel furnaces included in Granite City Steel's \$140,000,000 expansion-modernization program.

The hydrant on Braden avenue will be at the city limits, and Alderman Ford Johnson, fire committee chairman, also requested a hydrant be installed on the south side of Johnson road between Frohardt school and Central Christian Church.

A request was made for a hydrant to be painted at the 19th street and Edwardsville road rail crossing. Alderman Dallas said it can hardly be seen and is a hazard. His request was referred to the water company.

City Bill List Totals \$21,236 For Two Weeks

A two-week bill list totaling \$21,236 was approved Monday night by Granite City council members, who separated a bill from the U. S. Treasury Department amounting to \$2630 for the city's share of the sewer pumping station operation in April.

It was pointed out that due to the high stage of the Mississippi River, the pumps were working continuously at the pumping station located on Army Depot grounds. However, the council instructed Comptroller John Dooner to determine if the money was correct before making payment.

Among the larger payments on the bill list were \$13,703 to General Contracting Co. for its track removal and resurfacing work on Madison avenue from 4th to 16th street; \$8331 to Miller-Wolf Realty Co. for insurance policy premiums including workmen's compensation.

Premium for officials' bonds totaled \$30 for City Clerk Homer Penleton, Street Supv. Warfield and Humane Officer Albert Young. The bond premium for City Treasurer E. R. Rich amounted to \$3225 for \$40,000. All bonds were obtained from Granite City Realty Co.

The St. Louis Testing Laboratory was paid \$1200 for April work in its air pollution study for the city; while R. Dyon Electrical Co. was paid \$211 for traffic signal maintenance in April.

A payment of \$707 was made to Atty. Morris Chapman for completion of complaint filings for condemnation of several parcels—2528 Circle drive, 1731-33 and 2237 Grand avenue, 2144-46 and 2140-42 Washington avenue, 2125 Twelfth street, and 2127 Myrtle avenue.

Supreme Radio & Appliance Store was paid \$600 for two air conditioning units for the mayor's office, and there was a payment of \$153 approved to the U. S. Treasurer for rent of the site at the Army Depot for the sewage treatment plant now under construction.

Allowances on the bill list were \$100 to Civil Defense Director Victor Koenig for administration and car expense and \$30 to Second Ward Alderman Edmund Bartosik for April expenses.

City Orders Weed Cutting To Start Immediately

An immediate start for the annual weed cutting program in Granite City was ordered Monday night by the city council upon accepting a bid of \$260 per 500x25-foot lot from Leo Kamadulski, 2701 Swan drive.

The bid was five cents lower than \$265 paid last year to Clarence Whitford, 2810 West 22nd street, who also submitted a bid for \$265 this year. A third bid of \$5 was received from Arthur Ringering, Rural Route One.

Last year, the city paid \$2092 for weed cutting, or equivalent to 790 lots. This year the bid might be lower since the city has placed asphalt between the sidewalk and curb in areas of the 1800 blocks of Edison, Del-

mar and Cleveland blvd. The vote for the low bid was 13-2-3 after it was pointed out that Kamadulski lives outside the city limits, while Whitford is the only Granite Cityan to submit a bid. City Inspector Jack Finckler, in reply to council questioning, said Whitford did a satisfactory job last year.

Opposing the \$260 bid were Alderman Whitmer, Basarich and Bartosik.

Switchboard to be Placed in Lobby Of City Hall in GC

Relocation of the city hall switchboard to provide for a lobby is being planned by Mayor Partney, it was announced Monday night.

The proposed location is outside the office door to the city clerk's office where there will be an inner office of a closet type that was originally planned for an elevator shaft. It is now being used for storage of records.

The switchboard presently is located in the office of the mayor's suite on the third floor. Partney explained that his predecessor frequently had the switchboard operator substitute in a secretarial role, but that a second secretary will not be required in the office and that an information center is needed in the city hall.

Alderman Bartosik, chairman of the City Hall committee, said the telephone company insists the switchboard be in a location that can be locked to prevent vandalism. The cost for the company to relocate the switchboard would range from \$188 to \$347 depending on the installation of the conduit. No estimate has been received for an enclosure.

Physician-Clergy Dinner Program Features Panel

A physician-clergy dinner was held at the Rose Bowl restaurant at 6:30 p.m. Monday.

The affair was arranged by The Rev. Carl L. Johnson, chairman of the public relations committee; The Rev. Frank Pierce, Dr. E. H. Theis and Dr. Robert Hill, president of the Tri-City Medical Association.

There was a panel discussion on "Terminal Illness" with the following taking part: Rev. Robert Baumann, pastor of St. Peter United Church of Christ and chairman of the hospital

Swimming Registration Set May 24-28 at Park

Registration for the learn-to-swim program at Wilson Park will be limited to May 24 through May 28, director Harold Brown said today. Pre-registration is required.

Forms for registration may be obtained at the Wilson Park office off Benton street. The first session is planned June 14-July 10 with a second session July 12-Aug. 7. The age range is eight to 15.

An adult class will start June 16 and will be held Wednesday and Friday mornings. Children's groups will meet at various times Monday through Saturday mornings.

Error in Name

Miss Rose Cigich, a daughter of Mrs. Katie Stefanie of Madison, was married Saturday to Michael Jasugowicz, instead of Michael Jasugowicz, as was stated in Monday's issue of the Press-Record. The ceremony took place in the Greek Russian Catholic Church hall in Madison.

Stop Sign Removal Ok'd by GC Council

The first removal of one of Granite City's more than 900 stop signs was ordered during Monday night's council session.

Sixth Ward Alderman Richard Fry requested its removal over two weeks ago, pointing out the sign controlling northbound traffic on Edgewood avenue at St. Clair avenue was prone to causing accidents and served no purpose.

An ordinance to repeal the original ordinance setting up the sign was approved unanimously by the council. Mayor Partney indicated during the meeting that he would be naming a traffic control study committee in the near future.

Legion, VFW Poppy Days Friday, Saturday

Poppy Days will be observed tomorrow and Saturday in the Quad-Cities with the sale of thousands of Poppies by three local veterans' service organizations and their auxiliary units. Proceeds from the annual sale are used to aid disabled veterans, orphans and widows. Hospitalized veterans are paid to assemble the Poppies, giving them the opportunity to earn remuneration while bedridden. Poppy Days were started after World War I, with the tiny red flowers continuing to be sold each year signifying those found in the fields of Flanders. A poppy display is being arranged this week by VFW Post

1300 in the window of Goff and Dittman Florists, 402½ Madison avenue, Madison. Heading the project for the Tri-City American Legion Post 113 and Auxiliary is Mrs. Mildred Rees of Rural Route One, who reports about 15 auxiliary members will have more than 4500 poppies for sale at the two Granite City shopping centers and in the downtown business district. The 1965 campaign for the Veterans of Foreign Wars, Post 1300 and Auxiliary, is being directed by Mrs. Margaret Champion and Dale Brackett, who will be assisted by more than 30 members. This year, the VFW group hopes to sell approximately 7000 poppies.

GC Plans to Hire Full-time Painter

Authorization for the new Personnel committee of the Granite City council to interview applicants for a full-time job as painter was given Monday night. The new committee is headed by Eighth Ward Alderman Earl Thompson. Thompson was instructed to meet with officials of the Painters Union. No salary was set for the job. Alderman Sternberg, chairman of the Street committee, said plans are for the city to buy a paint stripper for the full-time painter to strip crosswalks and parking areas when weather permits. In the winter he would be assigned to paint the interior of city buildings, such as city hall offices.

Local Bankers Plan to Attend State Meeting

Henry D. Karandjeff, board chairman of the Granite City Trust & Savings Bank and American National Bank of Granite City, Harold R. Fischer, president of the First Granite City National Bank, and Harold F. Karandjeff, president of the American National Bank, will be among 1000 bankers attending the 74th convention of the Illinois Bankers Association Sunday through Tuesday at Chicago. Fischer and Henry D. Karandjeff are past presidents of the IBA. Featured speakers will include U. S. Senator A. Willis Robertson (D-Va.), Banking and Currency Committee chairman; Rens Odlin, Tacoma, Wash., president of the American Bankers Association; State Treasurer William J. Scott; Robert L. Myers Jr., former Pennsylvania state banking secretary; and George Champion, Chase Manhattan Bank board chairman.

Entrance Revisions Planned at SWIU

Reconstruction of the north and south entrance roads to the Quad-Cities-Edwardsville Southern Illinois University is planned by the Illinois Department of Highways. The work proposed for the north entrance will consist of two 24-foot pavements with a 42-foot median, following generally along the present alignment of Bohm road between Poag road and Illinois Route 143. The south entrance work will consist of construction of two 24-foot pavements with a 42-foot median along the present bluff road from Illinois Route 157 to the SWIU campus. Maps showing the construction are available at the district highway office at French Village. Any interested citizen from the community may request a public hearing on the proposal by written request to the district engineer before June 7.

Stolen Auto Found

A 1958 white over blue auto which was stolen during the weekend from "Tri-City Motors, 2100 Madison avenue, was found at 10:25 a.m. Tuesday by police at Rock road and the canal levee, an hour after it was reported stolen.

Proclamation

WHEREAS: The annual sales of Bluddy and Mendera Poppies by the Veterans of Foreign Wars Post 1300 American Legion Posts 113 and 307 have been officially recognized and endorsed by the President of the United States and the Veterans Administration; and
WHEREAS: The proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; therefore
We, the mayors of the Quad-Cities, do hereby recognize the patriotic merits of this cause by urging the citizens of this community to contribute generously to its support through the purchase of Poppies, on the days set aside for the distribution of these symbols of loyalty in this city. We urge all patriotic citizens to wear a Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.
We proclaim Friday and Saturday, May 21 and 22, to be Poppy Day.

20 Mph Speed Limit Sought Where Schoolgirl Was Killed

Revision of speed limits on Pontoon road were recommended Monday night for the vicinity of St. Elizabeth's parochial school where seven-year-old Alice Ann Byer, a first grader, was killed on May 11 while crossing at a school crosswalk guarded by a crossing watchman.
Mayor Partney suggested a 20 mph limit for the stretch of roadway now posted with signs with limits varying from 20 to 45 mph within a few blocks. The recommendation was made upon receipt of a letter from St. Elizabeth's Holy Name Society over the signature of H. H. Lamb Jr.
The society is calling for a study to determine what additional precautions or traffic controls might be instituted. The city is considering the employment of a traffic safety expert to study stop signs and other controls in the city.

Donald F. Bresnan, president of the Champaign park district board, will be the luncheon speaker Saturday as the Granite City park district is host for the downstate regional meeting of the Illinois Association of Parks Districts at the Community Center.

His topic will be "How to Build Community Interest in Park and Recreation Facilities and Activities." Bresnan's Champaign park district last year received cash gift receipts of \$112,000, exceeding the 1964 tax receipts of \$106,290. The district has also annexed more than \$15 million worth of residential and commercial areas since last June 1 and effected a merger with the Mayfair park district by referendum vote last Oct. 1.

Bresnan is sales manager for Universal Bleacher Co., Champaign.

Saturday's Program

The program opens with registration at 8:30 p.m. Saturday. Welcomes at the 9:30 opening session will be given by Milton Worthen, local park commissioner and immediate past-president of the association; Barry Loman, board president, and Mayor Donald Parry. The response will be by Thomas J. Oliva of Bellwood, current IAPD president.

At 9:45, a session on "Park-School Cooperation in Granite City" will be conducted by School Supt. Russell D. Johnson and Park Supt. Harold E. Brown. At 10:45, Atty. Randall Robertson and Tom Kelly of the F. J. Miller Insurance Co. will discuss the

DONALD F. BRESNAN

Granite City park district's insurance program.

A presentation on the status of 1965 legislation affecting park districts and the association's liability insurance program is scheduled for 11:45. Louis A. Gietl of Springfield, IAPD treasurer, will present a memorandum proposed by the association's legal-legislative consultant, Robert A. Stuart.

Following the 12:30 p.m. luncheon and address, recipients of the Granite City district's annual appreciation awards will tell why they became interested in the park program. At 2:00 p.m., participants will adjourn to ride a bus in the local boys' baseball parade.

CALL JUDY, TR 7-3542**Successful Failure Talk Wins Award**

"How to be a Successful Failure" was judged the award winning talk given Monday evening by Stanley Kowalevich, at a weekly dinner meeting of the Granite City Toastmasters Club held in the Grand Cafe. Nine-teen attended, including two guests, Jack Giger and John Smith, who offered the invocation.

In his talk, Kowalevich stressed that it is virtually impossible to be a complete failure. Although, he added, a person who never smiles and takes no interest in his work and the world around him, is making a successful start towards failure. Others who presented speeches were William Dimitroff on "The Smart Way to Buy a Car," James Kostoff, who spoke on "What Causes a Delinquent Child and Who is to Take the Blame," and Dr. E. L. Stroth, who gave his autobiography as his initial speech before the club.

James Dimitroff introduced the table topic "What Should Be Done to Eliminate Litter in the Downtown Area." Dr. Claude Hiles acted as toastmaster for the evening and Smith served as the general evaluator.

East Lee presided over the business session. Principal topic of discussion centered on the possible revision of plans to discontinue all meetings during the summer months. Previously, the members had voted to disband after June 7, resuming regular meetings once again in September. No definite decision was reached by the group.

County Births, Deaths Show Increase in April

Births in Madison county during April totaled 307, about the same as the April 1964 figure of 302, records of County Clerk Eulalia Hotz showed this week. But instead of the 158 girls and 144 boys born in April a year ago, the latest month saw boys leading the girls, 174 to 133.

There were 163 marriages and 146 deaths in April 1965, compared to 164 weddings and 137 deaths in April 1964.

Rabies Clinics Are Successful In Nameoki Twp.

Nameoki township board members heard reports Monday night on the success of a series of rabies inoculation clinics for dogs, the satisfactory performance of a pickup vehicle to be purchased for transporting mosquito spraying equipment and a request by Supervisor Harry Briggs for a new air-conditioning system in the township board room.

The business was transacted at a regular meeting of the board of auditors in the township offices on Highway 162 at Stalling.

Briggs appointed Auditor Herbert L. Polley and Town Clerk John Karlechick Jr. to get cost figures of new air-conditioning units, after he had requested that the unit presently in use be disconnected during the meeting due to excessive noise.

It was estimated that more than 400 rabies inoculations would be administered to township pets in the series of four clinics, which concluded last night with a final session at State Park Community House.

Clinics were held last weekend and earlier this week at Pontoon Beach, East Madison and at Jones Lumber Yard. The inoculation project was conducted by Dr. D. L. Frazier of the Madison County Animal Control Department.

Vandals Damage Auto
Wilfred Wornack, 2007 Lee Avenue, reported that the left wing glass was knocked out and a big scratch was made on the left side of his car between 5:30 and 8:15 p.m. Monday.

Driving Charge Filed
Ronnie D. Pike, 2440 Ohio Avenue, was charged with careless driving charge. A hearing was set for May 27.

Dog Survey in 2 Weeks
Township dog owners, whose pets have not yet been inoculated, were advised by Briggs to secure shots for them as quickly as possible. He added that in about two weeks, a survey will be made and all dogs running at large without tags will be picked up and held by the county authorities.

Highway Construction
Charles Hanks was authorized to negotiate the purchase of a 1963 pickup truck being used to convert municipal spraying equipment. He reported that the vehicle appeared to perform satisfactorily during a trial period. A complaint was read from Claude L. Bowman, 5253 Lakeview Drive, who objected to excessive blockage of Morrison road by freight trains of the Alton and Southern Railroad. Briggs said he would instruct Nick D. Vassileff, township attorney, to write to the railroad officials notifying them of the complaint and seeking their cooperation to correct the situation.

A suggestion was made that Vassileff send a similar request to railroads using the Edwardsville road crossing. Trains blocking the highway for periods running up to 15 minutes have been noted at both crossings, it was reported.

Briggs said a proposed meeting has not yet been arranged between the state highway department and the Edwardsville Levee & Sanitary District to discuss installation of a drainage line sewer outlet to relieve a street flooding condition in the vicinity of Sken street and McCambridge avenue in Madison.

Auditor Robert Strackelahn asked the council to consider using a low bid system in purchasing all printing materials. Other routine business transacted included approval of bills totaling \$822 from the town fund and \$1223 from the road and bridge fund.

Experience proves that some people are as easily rattled as others are hard to shake.

City Business Ranges from Cesspool Problem to Bid Call for Snorkel Fire Truck

Granite City council members covered a wide range of business from cesspool problems to a call for bids for a snorkel-type fire truck — during Monday night's first full-scale meeting of the new officials.

The initial meeting of the new council on May 19 was kept brief due to the inauguration ceremonies, but this week the council ran about two minutes past the 8 p.m. curfew. Most of the aldermen called for consideration of projects and improvements needed in their wards.

Overflowing cesspools along Nevada avenue were called to the attention of the council by Alderman Noma, who also listed locations for needed sanitary sewers on Rock road between Jefferson and West 22nd street and the north side of the 2900 block of Edgar street. Thompson added the need for sewers along sides of Walsh avenue and along Mercer drive. All of the items were added to the list by Mayor Parney.

Committee to Study
The Special Pollution Committee, headed by Alderman Moellen, was asked to renew its study of determining a method of financing for a package project to install the needed sanitary sewer lines in the various sections of the city.

Storm water drainage projects were recommended for Smith street in the Sixth Ward and the

2700 and 2900 blocks of Palmer avenue. The low area of the north-south section of Johnson street also was proposed for improvement.

Street resurfacing and repair projects were requested for the 3300 block of State street, at 24th street and Madison avenue, and for the 21st street south to Niedringhaus avenue, also was requested.

Curb, Sidewalk Priority
All aldermen were asked by Stienberg, chairman of the Street Committee, to submit priority lists for curb and sidewalk repair and replacement to be completed for inclusion in the new city budget. Work on the new budget is being started this week and preliminary figures are expected to be ready for the June 7 council session.

A petition from Granite City Steel Co. calling for the city to vacate an alley and a section of 18th street east of Madison avenue where the mill's new hot strip building is to be placed on first reading. Re-

ferred to the City Planning Commission was a request for the area of the alley and street to be rezoned M-2 heavy industrial from the present M-1 classification.

Alderman Ford Johnson, chairman of the Fire Committee, reported specifications are ready for the snorkel-type fire truck which Granite City Steel Co. is buying the city in exchange for streets and alleys in the "behind-the-mill" industrial area, where new basic oxygen furnaces are to be located. Comptroller John Dooner was instructed to advertise for bids.

Bid for City-Owned Lot
Accepted by the council was a bid of \$1101 from Mrs. Irene Hegedus, 601 Niedringhaus avenue, who wants to relocate her home on quonset hut area at 14 along Poplar street to make way for the Riverfront Parkway, Federal Aid Route 151. No other bids have been received.

A bid of \$142 by Miller Garage was accepted to repair the transmission of a 1957 street department truck. Other prices ranged from \$150 to \$200.

The council voted to accept a City Planning Commission recommendation to deny a commercial zoning classification for residential property at 2800 Madison avenue for development as a drive-in restaurant.

In other action, authorization was given to seek bids for replacement of the steps outside

the south entrance to the city hall with Stienberg to prepare specifications.

The Street light committee was asked to study the need for a light at the end of Center street near the entrance to an apartment development.

To Seek Water Franchise
City Atty. Allen was asked to study data to prepare for negotiations with East St. Louis & Interurban Water Co. for a franchise.

The Street committee was instructed to investigate a request from Bi-State Transit System for a bus zone for northbound buses on State street at 19th of \$49,384 to the city's credit. The allocation for April was \$20,334.

Also placed on file was notice of a National League of Cities

convention to be held in Detroit July 24-28.

The city accepted 10 metal trash barrels from Federal Oil Co. and will place them along streets. The barrels are marked with a gasoline advertisement.

Referred to proper channels was a request from a fireman who will complete 10 years city service in November, qualifying for three weeks vacation, and the third week in November. The channel will be through the chief, the commissioners, the council committee and the council.

\$49,384 MIT Balance
Placed on file was a motor fuel tax report showing allocations to the city for the year ending March 31 of a total of \$813,731 and an April 30 balance of \$49,384 to the city's credit.

Approved were excavation permits for Illinois Power Co. to install natural gas lines to serve the proposed new location of the Clark Service station and the new Mobilgas station, both at 20th street and Madison avenue.

Claim Against City
Referred to the city attorney was notice of intent to file a claim against the city by Magnus Leisner, 1234a Madison avenue, whose lawyer said Leisner was injured last Dec. 10 when his auto went out of control on trolley tracks along Madison avenue at 16th street and struck a parked car. Also referred to the attorney was notice of a \$300 suit against the city filed on behalf of Joseph Berry, a minor,

who was hurt last year in a fall off his bicycle blamed on a defective sidewalk along Poplar road.

Accepted by the city was a \$1001 contract with the state highway department for the city to clean and remove snow from streets carrying state routes. The contract will run from July 1 to next June 30.

Also placed on file was notice of a National League of Cities

convention to be held in Detroit July 24-28.

The city accepted 10 metal trash barrels from Federal Oil Co. and will place them along streets. The barrels are marked with a gasoline advertisement.

Referred to proper channels was a request from a fireman who will complete 10 years city service in November, qualifying for three weeks vacation, and the third week in November. The channel will be through the chief, the commissioners, the council committee and the council.

Council Debates Committee Duties

An ordinance to set forth the duties of the Granite City council's reactivated Personnel committee was debated during Monday night's session and was placed on first reading, but the committee was authorized to proceed with an advertisement to employ a public engineer for the city. The term of former public engineer David Johnson & Associates, expired May 1.

Alderman Norn, pointed out the committee's proposed authority would appear to cover street department employees almost exclusively, since the committee would not interview applicants for the police and fire departments, handled by the Board of Fire and Police Commissioners, or the employees and officials appointed by the mayor.

"The street superintendent was given authority about three years ago to hire his own men," Norn said, calling for clarification in the ordinance before it is presented for adoption. He also objected to the section authorizing the committee to require physical examinations for city job applicants. "The unions won't stand for it," he said.

Other aldermen said they believed the unions would permit physicals.

The intent of the ordinance is for the committee to prepare a city policy manual for employees and to submit recommendations to the council for hirings as well as conduct wage negotiations, it was explained. Several unions representing city employees already have notified the city they plan to seek pay increases, but no amounts have been announced publicly.

Iron, Steel Engineers Dinner Meeting Set

The St. Louis Section of the Association of Iron and Steel Engineers will hold a dinner meeting next Wednesday in the Elks club, N. 10th and State streets in Granite City, beginning with a social hour at 6 p.m.

Dinner will be served at 7 p.m. and the meeting will start at 8 p.m. with Walter Gunn, pilot for Trans World Airlines, scheduled as the principal speaker. Captain Gunn will speak on aircraft operations and flying with special emphasis on recent developments in navigation, the Doppler Navigational System. His talk will include a slide presentation.

He has been with TWA for 23 years, has a masters degree in clinical psychology and has flown every type of plane from a DC 3 to a Boeing 707. Eugene Whitaker, chief mechanical engineer of Granite City Steel Co. is chairman of the St. Louis section. New members include Robert C. Schloker, mechanical engineer at Granite City Steel Co.; Robert D. Skinner, supervisor of the electrical department of Granite City Steel Co.; and Philip H. Heath, assistant superintendent of the roll shop at Granite City Steel Co.

Quad-City Chapter of TOPS Organized

A Quad-City chapter of TOPS, (Take Off Pounds Sensibly) recently was formed here. It is headed today from Mrs. Marion Kelly, who is serving as chapter president. Six local women organized the club after reading a Press-Record item from Mrs. Bridget Hill, county chairman of the nationwide reducing club program.

Selecting the name Slenderella TOPS Club, the group plans to hold regular meetings with the next one slated for Tuesday evening. Those interested in joining the club are invited to contact Mrs. Kelly at GL 2-3367, or TR 6-7403.

Galsinski Graduates From Missile Systems Course

Airman Second Class Peter M. Galsinski, son of Mr. and Mrs. Peter M. Galsinski, 2560 Waterman avenue, recently was graduated from a technical training course for U. S. Air Force missile-facilities specialists at Sheppard AFB, Tex., where he was trained to maintain special electrical systems at missile sites.

A graduate of Granite City high school, Airman Galsinski has now returned to his regular duty assignment at the Strategic Air Command unit, Little Rock AFB, Ark.
